

## **BOARD OF EDUCATION**

### ***New Policy - 2:180 High School Student Ambassadors***

The Board of Education wishes to learn about student opinions, issues, and concerns and wishes to provide students with educational experiences with the operation of the school district. The process for selecting, responsibilities, and participation of Student Ambassadors are found in Administrative Procedures. Board member representatives will determine the appropriate number of ambassadors and select students to fill any vacancies.

The student members will not have voting privileges and may not attend closed session of the Board of Education.
