# Calendar Survey Feedback

CUSD 200 is in the process of creating a multi-year calendar for the 25-26 and 26-27 school years. The goal is to post these district calendars for review in November and approve them in December. We are asking staff and families to fill out a survey to provide feedback on the CUSD 200 calendar.

A separate survey was shared with high school students and staff to gauge their opinions about continuing to end first semester before the holiday break. The results of that survey were overwhelmingly in favor of continuing that practice.

While the school calendar has limitations, there are still some small movements we can make within it based on the feedback that you provide. This survey is designed to provide the district calendar committee with specific feedback about four areas:

1. Consistent start day
2. Consistent end day
3. Full Thanksgiving week
4. Full holiday break

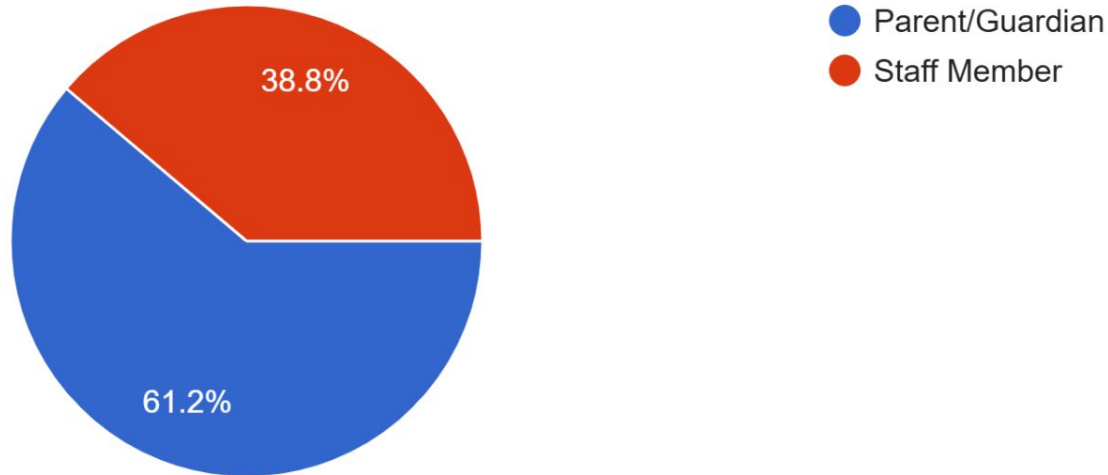

This feedback will assist us in assessing what is important to our stakeholders. Please fill out the survey by October 23.

Thank you for your participation in this process. If you have any questions, please contact Matt Biscan, Assistant Superintendent for Administrative Services, at [matthew.biscan@cusd200.org](mailto:matthew.biscan@cusd200.org).
