September 2022

Board Presidents and Administrators,

This report outlines proposals to be acted upon at the annual meeting of the IASB Delegate Assembly on Saturday, November 19, 2022 in Chicago. Through the Resolutions Process and Delegate Assembly, IASB member districts provide critical direction as IASB represents members' interests before state and national policymakers

Every member district is entitled to one voting delegate. This year delegates will vote for election of IASB officers, approval of Constitutional amendments, and adoption of IASB Position Statements on issues that reflect the interests of boards of education across the state.

Please discuss with your board the topics that will come before the Delegate Assembly for action. Identify and prepare your district's delegate representative to vote on behalf of your board. The decisions made by the Assembly will set the course for IASB's legislative initiatives.

We look forward to our work together in November.

Sincerely,

Mark Harms, Resolutions Committee Chair

RESOLUTIONS PROCEDURES

- 1. Types of Resolutions** — (Article IX, Section 1) Resolutions may be either in the form of a position statement or a belief statement. Position statements address issues affecting or concerning local boards of education; they direct the Association's advocacy efforts. Belief statements express significant values commonly held by local boards of education; they may or may not call for action to be taken by the Association.
- 2. Proposals** — (Article IX, Section 2) Resolutions for proposed position statements or belief statements may be proposed by any Active Member, Association Division, the Association's Board of Directors, or the Resolutions Committee. Resolutions to be published and distributed to the Active Members must be submitted to the Resolutions Committee at least 150 days prior to the Annual Meeting of the Delegate Assembly.
- 3. Presentation of Resolutions** — (Article IX, Section 3) The Resolutions Committee shall review all proposed resolutions, distribute a final draft of proposed resolutions to the membership not less than 45 days prior to the Annual Meeting of the Delegate Assembly, and may recommend the approval or disapproval of any resolution to the Delegate Assembly. The Resolutions Committee has the prerogative to determine which resolutions are to be presented to the Delegate Assembly; and whether they are presented as position statements or belief statements. However, all resolutions that are timely submitted to the Resolutions Committee according to Section 2 above, must be distributed to Active Members not less than 45 days prior to the Annual Meeting of the Delegate Assembly.
- 4. Annual Review** — (Article IX, Section 4) The Resolutions Committee shall annually review currently in force position statements and belief statements to determine whether they are consistent with the current positions or beliefs of Association members. The Resolutions Committee shall recommend that the Delegate Assembly amend or rescind any position statement or belief statement that is not consistent with the current positions or beliefs of Association members. All position statements and belief statements currently in force will be published annually and distributed to Active Members prior to the Annual Meeting of the Delegate Assembly.
- 5. Appeals** — (Article IX, Section 5) Any Active Member, Association Division, or Association Board of Directors, that has submitted a proposal that has received a negative recommendation from the Resolutions Committee, shall have the right to appeal the decisions of the Resolutions Committee at the Annual Meeting of the Delegate Assembly. Notice of appeal must be submitted in writing to the Resolutions Committee. The committee must be in receipt of the written appeal no later than the close of business eight calendar days before the Annual Meeting of the Delegate Assembly. A majority of the delegates present and voting at the Annual Meeting of the Delegate Assembly is required for consideration of appeals.
- 6. Amendments to Resolutions** — (Article IX, Section 6) Any proposed amendment to a resolution that does not meet the time requirements as set in Section 3 above shall be immediately remanded to the Resolutions Committee for consideration.
- 7. Late Resolutions** — (Article IX, Section 7), Resolutions which are not presented to the Resolutions Committee at least 150 days prior to the Annual Meeting of the Delegate Assembly may be considered only by the following procedure: Such resolutions may be proposed by an Active Member, Association Division, Association Board of Directors, or the Resolutions Committee and submitted in writing to the Resolutions Committee. Any resolution which is not submitted in the manner described above shall not be considered by the Delegate Assembly. Late resolutions shall be considered for approval by the Resolutions Committee. The Resolutions Committee may recommend approval or disapproval of the late resolution to the Delegate Assembly. Any such resolution disapproved by the Resolutions Committee may be appealed by a seventy-five (75) percent majority vote of the delegates present. Delegates seeking authority to present late resolutions at the Annual Meeting of the Delegate Assembly shall provide copies for all delegates present at the meeting, including rationale and relevant supporting documentation.
- 8. Order of Resolutions** — Each resolution to be adopted will be considered in the following order of categories: Educational Programs, Financing Public Education, Legislative Activity, Board Operations and Duties, Board Employee Relations, Local State Federal Relations, and District Organization and Elections. Reaffirmation or deletion of existing positions will be done with a single motion unless a delegate wishes a particular position or positions to be considered separately.

IASB CONSTITUTIONAL AMENDMENTS

PROPOSED AMENDMENTS APPROVED AT THE AUGUST 27 BOARD OF DIRECTORS MEETING

IV. ELECTIONS

Section 2. Terms of Office — All elective officers shall be elected at the Annual Meeting of the Delegate Assembly. The term of office of officers shall be ~~one two~~ years. Each officer may serve no more than ~~one two consecutive one two~~ two-year terms or until their successors are elected and qualified, and offices shall be assumed at the close of the Annual Meeting of the Delegate Assembly.

Rationale for Amendment to Article 4.2

IASB elected officers currently serve a one-year term. Each officer may not serve more than two consecutive one-year terms. In every case the incumbent officer has been elected for a second year. The transition to a single two-year term eliminates uncertainty concerning the leadership of IASB, the need for an annual nomination process, and annual candidate interviews.

IX. RESOLUTIONS

Section 3. Presentation of Resolutions — The Resolutions Committee shall review all proposed resolutions, distribute a final draft of proposed resolutions to the membership not less than 45 days prior to the Annual Meeting of the Delegate Assembly, and may recommend the approval or disapproval of any resolution to the Delegate Assembly. The Resolutions Committee has the prerogative to determine which proposals are to be presented to the Delegate Assembly; and whether they are presented as position statements ~~or belief statements~~. However, all resolutions that are timely submitted to the Resolutions Committee according to Section above, must be distributed to Active Members not less than 45 days prior to the Annual Meeting of the Delegate Assembly. All proposals require a two-thirds affirmative vote by the Delegate Assembly for passage.

Rationale for Amendment to Article 9.3

“Belief” statements will be replaced by IASB Core Values that will guide the Association’s advocacy.

The current political climate in Illinois, along with the existing number of position statements (150+) and the volume of resolutions each year do present some challenges for the Association’s advocacy work.

IASB has a history of the grass roots resolutions process and encourages members to submit proposals. However, the number of proposals received each year coupled with the current simple majority requirement for passage raises the possibility of the addition of numerous new position statements that can dilute advocacy efforts and result in more division among members over contentious issues.

The table below illustrates the five-year history of proposals brought before the IASB Delegate Assembly.

Year	Number submitted	Number approved
2021	23	16
2020	12	8
2019	18	15
2018	8	5
2017	8	5

The table below illustrates the five-year trend of voting delegates to the IASB Delegate Assembly. IASB currently has 848 member boards. A simple majority of delegates present is required to pass a resolution or belief statement.

Year	Number of voting delegates
2021	411
2020	*278
2019	441
2018	391
2017	367

*virtual DA

Based upon the 411 delegates to the 2021 Delegate Assembly, 206 votes could pass an advocacy position statement. While one could argue that this is how democracy works, it can put the Association in a very precarious legislative position in which staff are advocating for or against legislation that a clear majority of the membership may or may not support. It is imperative that IASB has strong support from its membership for legislative positions and a higher threshold for passage ensures a high level of support and a more focused legislative agenda.

IX. RESOLUTIONS

Section 5. Appeals — Any Active Member, Association Division, or the Association Board of Directors, that has submitted a proposal that has received a negative recommendation from the Resolutions Committee, shall have the right to appeal the decision(s) of the Resolutions Committee at the Annual Meeting of the Delegate Assembly. Notice of appeal must be submitted in writing to the Resolutions Committee. ~~The committee must be in receipt of the written appeal no later than the close of business eight calendar days before the Annual Meeting of the Delegate Assembly. A majority of the delegates present and voting at~~

~~the Annual Meeting of the Delegate Assembly is required for consideration of appeals. An appeal must be filed in accordance with the rules established by the Resolutions Committee and approved by the Board of Directors. Passage by supermajority or three-fifths of delegates voting at the Annual Meeting of the Delegate Assembly is required for consideration of appeals. All appeals require a two-thirds affirmative vote by the Delegate Assembly for consideration.~~

Rationale for Amendment to Article 9.5

The current language allows for an appeal of a negative recommendation to be submitted up to eight days prior

to the annual IASB Delegate Assembly. This presents major logistical challenges prior to the meeting and often delays the preparation of materials necessary for the Delegate Assembly. This proposed amendment would allow the Resolutions Committee to establish through its rules the deadline for appeals. These rules would be approved annually by the IASB Board of Directors and distributed to the membership well in advance of the deadline.

The supermajority requirement for the consideration of appeals matches the proposed amendment requiring a higher threshold of affirmative votes by delegates outlined in the proposed amendment to Article 9.3.

NEW RESOLUTIONS

1. Fund Balances-Miller Ratio Adjustment
2. Alternative Fueled School Bus Funding
3. Firearm Dealer Location

FINANCING PUBLIC EDUCATION – LOCAL

1. Fund Balances-Miller Ratio Adjustment

Submitting District: Homer Community Consolidated School District 33C

BE IT RESOLVED THAT the Illinois Association of School Boards shall request that the Illinois legislature consider legislation barring claims for excessive accumulations when a school district's Miller Ratio of amounts available to average annual expenditures is less than 3.0.

District Rationale: Current Illinois law allows for Illinois taxpayers to file suit for an "excessive accumulation" when the fund balance of a school fund account exceeds the fund's average annual expenditures from the previous three fiscal years. This ratio of amounts available to average annual expenditures is commonly referred to as the Miller Ratio. The intention of the Miller Ratio is to limit local units of government from excess fund balance accumulation. While we recognize the need to ensure responsible taxation and the limitation of excess fund balance, we also believe that the current permissible Miller Ratio of only 2.0 in effect has the potential to have a detrimental impact on school district finance. School districts are often required to base year-to-year budgets on long-term financial projections and forecasts. In order to provide for long-term fiscal stability, many school districts elect to budget conservatively given the potential for fluctuation of revenues and expenses that is inherent with long-term financial projections. The current permissible Miller Ratio of 2.0 thereby serves as a disincentive for schools to maintain the healthy fund balances necessary to address foreseeable spending needs by exposing the district to suit for any fund balances that exceed the current ratio. Further, when an objector files suit against a district on the basis of the Miller Ratio, the district is subject to additional legal fees associated with resolving the suit. Finally, if the objector's suit is successful, the district is required to pay the objector based on the judgment. This in effect removes monies from the school accounts to result in a fund balance decrease, rather than redistribution to other school funds as would be a more appropriate budgetary correction.

The legislature recently amended the Township Code to permit townships to have Miller Ratios of 2.5. See 60 ILCS 1/85-65 "Accumulation of Funds" under the IL Township Code.

Sec. 85-65. Accumulation of funds. Township funds, including, but not limited to, general assistance funds and excluding the township's capital fund, shall not exceed an

amount equal to or greater than 2.5 times the annual average expenditure of the previous 3 fiscal years.

(Source: P.A. 102-231, eff. 7-30-21.)

Almost all Illinois law involving the Miller Ratio pertains to township governments. Thus, any change in the standard for townships should be equally applicable to school districts. Furthermore, given a school district's extensive staffing, student and service needs, school districts need the flexibility to accumulate funds up to a Miller Ratio of no less than 3.0.

Resolutions Committee Analysis: The Committee agreed with the testimony indicating that similar to the statutory level of 2.5 times annual expenditures that townships sought to lessen future fund balance taxpayer objections, school districts may be in a better position if they also worked to enact a level up to the 3.0 level established by case law. The Illinois Supreme Court held that "a fund balance in excess of two or three times the annual expenditure in the fund is illegal." *Central Illinois Public Service Co. v. Miller*, [42 Ill. 2d 542, 248 N.E. 2d 89](#) (1969) Currently, no statutory provisions specifically encourage taxpayers to seek objection to excessive school district fund balances. Illinois law does not establish minimum or maximum fund balances. Information shared in testimony and discussion indicated that there are tax objection groups who file tax objections when a taxing districts report fund balances over two times annual expenditures.

 The Resolutions Committee RECOMMENDS DO ADOPT.

FINANCING PUBLIC EDUCATION – OTHER

2. Alternative Fueled School Bus Funding

Submitting District: Naperville Community Unit School District 203

BE IT RESOLVED THAT the Illinois Association of School Boards shall urge the state and federal governments to provide funding to school districts for transitioning to zero-emission school buses, or low-emission school buses when a district can demonstrate that zero-emission buses are not practical, and for green charging infrastructure in order to reduce school children's exposure to harmful pollutants from diesel emissions.

District Rationale: Transportation funding is a key priority for the IASB as nearly one million school children in districts across the state use bus transportation. Currently, nearly all school buses in the state have conventional diesel engines. Exposure to diesel emissions can have a negative impact on students' health and school performance and a negative

impact on the health of the bus drivers and teachers and staff on bus duty. Thus, reducing exposure to diesel emissions from school buses supports the physical wellbeing of students and staff. Diesel emissions contain a number of pollutants, including nitrogen oxides (NOx), fine particulate matter (PM), and various hydrocarbons. These pollutants are known to cause or exacerbate respiratory and cardiovascular health issues in people of all ages, and studies have shown that they can predispose school-age children to asthma and wheeze. Moreover, studies have linked NOx and PM air pollution to reduced lung function in children and to impacts on children's neurological systems and brain development, including reduction in working memory and cognitive function. A 2019 study at Georgia State University directly linked diesel bus emissions to school performance and respiratory health, finding that retrofitting buses to reduce emissions led to increased test scores and improved aerobic capacity. Additionally, a 2015 study at the University of Michigan showed lower absenteeism, especially among those with persistent asthma, after buses transitioned to clean technologies and fuels. In addition to the health and school performance benefits converting to clean bus technologies would provide to the nearly one million Illinois school children in districts across the state who use bus transportation, converting to zero emissions buses would significantly reduce greenhouse gas emissions and would improve air quality in communities across the state, leading to wider public health benefits.

While zero-emissions buses, especially electric buses, should be the focus, we recognize that these buses may not yet be practical for some districts, especially rural districts covering large areas. This was a concern raised by the IASB Resolutions Committee in 2021 on a resolution for funding only electric buses. Therefore, this resolution would allow districts that can make the case that zero-emission buses are not feasible to apply for funding for low-emission buses instead.

On-site or local clean charging infrastructure should also be funded to ensure that the electricity is coming from renewable sources. Solar panels are an especially attractive solution since schools tend to have large, flat roofs, and electricity generated by the solar panels could be used to power schools when not charging buses. Over the lifetime of the buses and charging infrastructure, school districts would likely see cost savings overall between the reduced maintenance and fuel costs for the buses and the reduction in utility bills by generating some electricity on site.

Resolutions Committee Analysis: The Committee understood and agreed with many of the points the district shared in testimony and with submitted rationale. However, the Committee was concerned that the current transportation reimbursement formula does not fully support the reimbursement costs and questioned how the funds would be found or diverted to fund a new program. They recognized that financial support for this endeavor would

mean funding not only the cost of new buses but also the cost of a charging infrastructure. Consideration regarding the challenges of rural and urban settings was also discussed, giving notice that analysis would need to be sought to ensure funds were sufficient to support all types of school district transportation needs.

 The Resolutions Committee RECOMMENDS DO NOT ADOPT.

LOCAL-STATE-FEDERAL RELATIONS

3. Firearm Dealer Location

Submitting District: Mundelein Consolidated High School District 120

Statement of Resolution: The Illinois Association of School Boards shall support and advocate to expand and amend legislation of the existing Public Safety Firearm Dealer License Certification Act (430 ILCS 68) to increase the distance a gun store or any retail facility selling firearms and/or ammunition may be located in relation to a school, pre-school, or day care facility from 500 feet to 1,500 feet.

District Rationale: Gun and ammunition sales have been increasing at significant rates across the country, driving heightened demand for retail locations for gun stores. Given these trends, it is appropriate for the legislature to revisit our established laws regarding gun sale licensure. This is an important moment for reinforcing the initial intent of the current law, which is to ensure a safe zone or physical buffer between the location of gun sales and schools. This resolution is not a comment on the value of gun ownership, gun control, or gun sales to our communities, but a recognition of changing gun market dynamics and the value of responsible zoning and school safety. Although IASB often prioritizes those laws that impact what happens within a school, and this law seems to impact activity beyond a school's geographic boundary, the location of an increased number of gun sales in close proximity to a school has a very real impact on the sense of safety of students and staff while they are at school. In this moment of pursuit of enhancements to the mental health of our Illinois students, the psychological and physical distance of gun sales from schools is tantamount to students' real and perceived sense of safety.

Resolutions Committee Analysis: The committee was concerned with the process for exemptions for current firearms dealers within the 1,500-foot radius and who all might fall under the definition of a firearms dealer. The committee understood the point about the trauma that might be caused by seeing gun advertisements from the classroom but thought a different statement about firearm advertising might be more impactful than increasing the radius for firearms dealers.

 The Resolutions Committee RECOMMENDS DO NOT ADOPT

FINANCING PUBLIC EDUCATION – STATE

4. Capital Grant Fund for School Buildings

Position Statement 2.11 - Capital Funding for School Construction

2.18 – School Construction Grant Program

Submitting District: Glen Ellyn School District 41 and Mercer County CUSD 404

2.11 Capital Funding for School Construction

The Illinois Association of School Boards shall actively work with the Illinois General Assembly and the Illinois State Board of Education to increase capital funding for public school infrastructure improvement and development allocating School Construction Grant funds every year. Providing a Capital Grant Fund to address shortage of classroom space due to population growth and repair and maintenance needs of aging buildings. IASB shall advocate that the General Assembly study and consider additional forms of financial revenue for school construction needs, including but not limited to sales tax revenue. Any new revenue shall supplement current school construction funds, not supplant them.

2.18 School Construction Grant Program

The Illinois Association of School Boards shall continue to support the current School Construction Grant Program and its provisions for grant applications, grant entitlements, grant awards, and local school district authority to select architects, engineers, contractors, and laborers. All school districts with an approved school construction grant entitlement shall be paid the amount of the entitlement in its entirety before a new school construction program can be implemented. Funding should be dispersed to school districts based on criteria of 1) a district's "percent fully funded" number, based on the Evidence Based Funding Model, 2) a district's borrowing capacity, 3) a district's EAV per pupil, and 4) age of existing educational facilities (not to include sports facilities). School districts shall receive a priority ranking within 90 days of the end of the current year's application cycle. The Illinois State Board of Education shall priority rank, by grant year, all school districts that have been waiting for longer than 90 days for school construction grant funds. (Adopted 2006, Amended 2014, Reaffirmed 2015)

District Rationale: State law requires the Illinois State Board of Education (ISBE) and the Capital Development Board (CDB) to file a comprehensive assessment report of the capital needs of all school districts to the General Assembly every two years. Findings from 2020 indicate that 251 responding districts needed a combined \$6.9 billion, averaging nearly \$27.5 million per district, for construction needs for new buildings, additions, and general repair. These findings indicate widespread capital improvement needs throughout Illinois.

This resolution meets two of the IASB Advocacy Core Values. It supports and protects adequate and equitable funding necessary to provide all students with access to an excellent public education, and it supports the Association's commitment to educational equity for every student. Providing state funds for capital projects would help growing districts meet the space needs of their expanding populations, and it would help older, established districts replace or maintain their aging buildings for the safety and well-being of their students and staff.

Resolutions Committee Analysis: The Resolutions Committee heard testimony from the submitting districts regarding Capital Grant Fund for School Buildings and School Construction Grants Continuing Appropriation. The two resolutions were similar in scope recommending funding for capital needs. The committee amended current Position Statements 2.11 and 2.18 to address both submitting districts' intent. The two submitted resolutions were combined. Both districts agreed to merge.

The Resolutions Committee RECOMMENDS DO ADOPT.

Position Statement 2.27 – School Safety Grant Program

Submitting Districts: Grayslake Community High School 127, Lake Forest CHSD and Lake Forest School District 67

The Illinois Association of School Boards shall advocate for the creation and funding of a school safety grant program at the federal and state level that would assist school districts to support all costs of a comprehensive school security enhancements including, but not limited

to, cameras, technology, infrastructure, security personal, staff training, and maintenance. Priority in the distribution of grants shall be based on both geography (school districts with lengthy response times from first responders) and financial need (Tier I and Tier II districts based on the Evidence-Based Funding model in that order) would receive priority in the awarding of the grants. In addition to grant funding, IASB shall support the establishment of state and federal resources to assist in establishing best practices, implementation, and monitoring for continued improvements to further enhance policies and procedures to increase school safety.

District Rationale: The threat of gun violence in schools has increased dramatically over the last two decades, and there have been no sustained funding sources to assist schools in making capital improvements or hiring additional security staff that keep students safe from such threats. The inequitable public school funding mechanism in Illinois schools guarantees that some districts will be able to make improvements to safety and security at the local level, while others will not. With no other additional funding, school districts that choose to make safety improvements will do so at the local level and at the expense of other educational programs. Because every student in Illinois deserves to be safe from gun violence at school, we call on the Illinois State Legislature to materially support all districts in improving safety.

Resolutions Committee Analysis: The final recommendation of the resolution was as an amendment to current Position Statement 2.27. Ultimately, the committee agreed with the original language that included equity in the process.

 The Resolutions Committee RECOMMENDS DO ADOPT

LEGISLATIVE ACTIVITY

6. Involvement with Candidates for Public Office

Position Statement 3.02 – Candidate Support

Submitting District: Indian Prairie School District 204

3.02 – Candidate Legislation Position Support

The Illinois Association of School Boards shall actively encourage and assist school board members to effectively evaluate legislative positions relative to public education as they affect of legislative candidates relative to public education and to support those candidates who have demonstrated understanding and support for the principles of school management to ensure the best education for public school students in Illinois.

District Rationale: As elected trustees of local public education, School Boards and their individual members should be actively participating in the legislative process as it relates to school board operations and public education. IASB should encourage this involvement and assist in evaluating legislative positions. In its Foundational Principles of Effective Governance, Code of Conduct and

Belief Statement, IASB emphasizes the importance of elections remaining non-partisan as this leads to effective governance and consideration of the whole community and all students. IASB should not be involved in evaluating individual candidates. This amendment is based on the principle of nonpartisanship, by supporting analysis of legislative positions rather than individual candidates.

Resolutions Committee Analysis: The Committee discussed the intent of the current Position Statement 3.02 in relation to the proposed amendment and felt the current language should remain.

 The Resolution Committee RECOMMENDS DO NOT ADOPT

LOCAL – STATE – FEDERAL RELATIONS

7. Mandates Review Committee

Position Statement 6.02 – Periodic Review of State and Federal Mandates

Submitting Districts: Lake Forest CHSD 115 and Lake Forest SD 67

The Illinois Association of School Boards shall support legislation for the creation of a Committee on Mandate Review. IASB shall support at the state and national level periodic review of all mandates, rules, and regulations affecting local districts. Such mandates, rules, and regulations should be broad in scope providing great flexibility in implementation, eased or reduced during periods when state supporting funds are unavailable or reduced, and eliminated if not of benefit to educational opportunities and outcomes. All mandates shall be subject to a sunset provision.

District Rationale: The district requested creation of a Committee on Mandate Review that would include a representative group to examine all aspects of current, newly proposed and the process for future educational mandates. The group would provide a comprehensive view of mandates, including complete costs of all parties; implementation resources required; duplication and recommendations for removal; existing waiver process participants; and recommendations to improve and simplify meaningful use of the mandate waiver process, that enhances abilities for districts to apply for and gain greater local control of education (not waivers which create greater burdens for both districts and ISBE). Additionally, legislators and ISBE will create an estimated financial note process with greater visibility of all projected costs of all stakeholders for all future mandates being considered by legislators. Lastly, the inclusion of a timing or sunset provision for all mandates, so that there is visibility to the current purpose of new mandates and an understanding of future demands and needs that may change and thereby allowing for understanding if certain mandates should continue or be allowed to naturally expire or transition into a different condition.

This is a current legislative priority of districts 115, 67, and 65 and this effort is to expand knowledge of the working being done with ED-RED and other parties to include IASB and the other states' school boards to create greater momentum for the cause of reducing the mandate burdens and all of the elements surrounding the process.

Resolutions Committee Analysis: The Resolutions Committee believed many of the points raised in the resolution on mandates are currently reflected in IASB Position Statement 6.02. Position Statement 6.02 was amended to include additional language the district brought forth.

 The Resolutions committee RECOMMENDS DO ADOPT.

DISTRICT ORGANIZATION AND ELECTIONS

8. Financial Contribution for School Board Elections

Position Statement 7.07 – Election Schedules

Submitting District: Indian Prairie School District 204

7.07 Election Schedules School Board Elections non-partisanship

The Illinois Association of School Boards shall continue to support the non-partisan election of school board members at a non-partisan election. IASB strongly believes that school board candidates should not solicit, accept, or receive either a donation or financial contribution from special interest groups, political action committees or political parties.

District Analysis: School board elections must remain non-partisan. School boards are not a place for politics. Rather a school board's job is to maintain the interest of the community and its students. The IASB Code of Conduct has 12 standards and principles. IASB Code of Conduct #12 defines a school board member's "primary work" as "clarifying the district purpose, direction and goals, and monitoring district performance". This is accomplished

through effective governance. Effective governance is negatively impacted if a school board candidate is influenced by special interest groups, PACS or political parties.

The Foundational Principles of Effective Governance clearly state - "As a corporate entity charged by law with governing a school district, each school board sits in trust for its entire community." The Foundational Principles further state - "A board in touch with community-wide concerns and values will serve the broad public good rather than being overly influenced by special interests." IASB Code of Conduct #1 states that board members will "represent all school district constituents honestly and equally and refuse to surrender my responsibilities to special interest or partisan political groups". IASB Belief Statement 5 states "The Illinois Association of School Boards believes strongly in the non-partisan election of local school boards." Having partisan elections is inconsistent with the Fundamental Principles of Effective Governance, IASB Code of Conduct, and IASB Belief Statement 5.

Having special interest groups, PACs and political groups influencing an election also undermines IASB policy 6.01 (local control) which discourages federal and state courts and agencies from depriving local school districts of decision-making powers. Partisan elections encourage national and state political conflicts into local governance. Federal and State political organizations, PACs and special interest groups would use local school board elections as a means to gain influence in local government elections. Recent changes to allow partisan school board elections in other States make it imperative to reaffirm the importance of public education remaining non-partisan and locally focused. Therefore, this position statement needs to be amended.

Resolutions Committee Analysis: The Resolutions Committee agreed to add non-partisanship to the title and to add a section regarding school board candidates not accepting contributions from partisan groups.

 The Resolutions Committee RECOMMENDS DO ADOPT.

9. School Construction Grants Continuing Appropriation

10. Child Safe Gun Storage

11. Funding for School Security

12. Special Education Funding and Task Force

13. Charter Schools At Risk Students

14. Charter Funding Methodology

15. Charter Renewal Process

16. Style Guide for Gender Neutral Language

Per the IASB Constitution that has been approved by the IASB Board of Directors, the Resolutions Committee has the authority to recommend Do Adopt, Do Not Adopt or Do Not Present a Resolution. The following Resolutions were recommended as Do Not Present at the Resolutions Committee meeting in August and will not be presented at Delegate Assembly. They are included in this report as informational only.

9. School Construction Grants Continuing Appropriations

Submitting District: Mercer County CUSD #404

Statement of Resolution: The Illinois Association of School Boards shall support and advocate for legislation that mandates the State of Illinois allocate School Construction Grant funds EVERY YEAR, and that such funding should be dispersed to school districts based on criteria of 1) a district's "percent fully funded" number, based on the Evidence Based Funding Model, 2) a district's borrowing capacity, 3) a district's EAV per pupil, and 4) age of existing educational facilities (not to include sports facilities).

Resolutions Committee Analysis: Because this resolution was similar to the new Resolution - Capital Grant Fund for School Buildings, the two were combined into one resolution, which will be forwarded to the Delegate Assembly.

⊗ The Resolutions Committee RECOMMENDS DO NOT PRESENT

10. Child Safe Gun Storage

Submitting District: Glen Ellyn School District 41

Statement of Resolution: The Illinois Association of School Boards shall support and advocate for legislation which strengthens child safe gun storage laws in the state of Illinois, requiring gun owners to store firearms, whether they are loaded or unloaded, in a securely locked container, if a person under the age of 18 has unrestricted access to the location where it is stored.

Illinois prohibits any person from storing or leaving his or her firearm unlocked and accessible to a minor under the age of 14 if that person knows or has reason to believe that the minor under the age of 14 who does not have a Firearm Owner's Identification ("FOID") card is likely to gain access to the firearm and the minor causes death or great bodily harm with that firearm.

Resolutions Committee Analysis: Under current Resolutions Committee Special Rules, proposals that are substantially the same as the proposed position or belief statement that failed to pass the Delegate Assembly the prior year must receive a two-thirds affirmative vote from the Resolutions Committee to be presented at the Delegate Assembly. That threshold was not met, and a motion to Do Not Present prevailed. Due to this motion, the district can resubmit this resolution, or one substantially similar next year, and it will not have to meet the two-thirds threshold.

⊗ The Resolutions Committee RECOMMENDS DO NOT PRESENT

11. Funding for School Security

Submitting Districts: Lake Forest CHSD and Lake Forest School District 67

Statement of Resolution: The Illinois Association of School Boards shall support federal legislation with state legislative support to create a national fund for the next 10 years to support all costs of a comprehensive school security approach, including but not limited to: Cameras, Technology, Infrastructure, Security Personal, Training & Ongoing Yearly Staffing & Maintenance. This fund would be available to all schools along with federal and state resources to assist in best practices, implementation, and monitoring for continued improvements so as to create the greatest possible path for security to our most vulnerable aged population.

Resolutions Committee Analysis: The committee agreed with several points in this resolution and combined the language with another resolution (School Safety Fund) to provide an amendment to current Position Statement 2.27.

⊗ The Resolutions Committee RECOMMENDS DO NOT PRESENT

12. Special Education Funding & Task Force

Submitting Districts: Lake Forest CHS District 115
Lake Forest School District 67

Statement of Resolution: The Illinois Association of School Boards shall support a more aggressive stance on improving the current federal and state funding for all special education responsibilities currently and in the future for our Illinois school districts. Additionally, creating a task force to examine and report on the best practices of special education and adjusting current funding procedures to remove competing incentives to schools to choose less desired educational methods.

Resolutions Committee Analysis: While the committee agreed with many ideas presented in the resolution, they felt it was already addressed in the current Position Statement 2.04, and the task force section is unclear. The committee recommends submitting the resolution in the future with additional specifics regarding the task force.

⊗ The Resolutions Committee RECOMMENDS DO NOT PRESENT

13. Charter Schools At-Risk Students

Submitting District: Woodland Community Consolidated School District 50

Statement of Resolution: The Illinois Association of School Boards shall urge the adoption of legislation that defines the special expectations of charter schools to educate at-risk students, including the requirement that the charter school's programs and operations be specifically designed to attract and services at-risk students and that the charter school be required to report to the public its progress in achieving these expectations.

Resolutions Committee Analysis: While the committee agreed with the district and understands the difficult situation faced, the committee believes this resolution duplicates current Position Statement 1.17. The language of the position statement is identical to what the district presented as a belief statement. IASB will continue to advocate for the ideals submitted in the resolution.

⊗ The Resolutions Committee RECOMMENDS DO NOT PRESENT

14. Charter Funding Methodology

Submitting District: Woodland Community Consolidated School District 50

Statement of Resolution: The Illinois Association of School Boards shall "Urge the adoption of legislation that creates a methodology for the funding of State Authorized Charter School which shall not have a negative financial impact of the host district, particularly in the spirit of evidence-based funding and which shall minimize the anti-consolidation effects of charter school authorization."

Resolutions Committee Analysis: While the committee agreed with the district and understands the difficult situation faced, the committee believes this resolution duplicates current Position Statement 2.25. The language of the position statement is identical to what the district proposed as a belief statement. IASB will continue to advocate for the ideals submitted in the resolution

⊗ The Resolutions Committee RECOMMENDS DO NOT PRESENT

15. Charter Renewal Process

Submitting District: Woodland Community Consolidated School District 50

Statement of Resolution: The Illinois Association of School Boards shall "Urge the adoption of legislation that allows for participation of the host school district in the charter school renewal process for State Authorized Charter Schools."

Resolutions Committee Analysis: While the committee agreed with the district and understands the difficult situation faced, the committee believes this resolution duplicates current Position Statement 1.16. The language of the position statement is identical to what the district submitted as a belief statement. IASB will continue to advocate for the ideals submitted in the resolution.

⊗ The Resolutions Committee RECOMMENDS DO NOT PRESENT

16. Style Guide for Gender Neutral Language

Submitting District: Aptakisic-Tripp CCSD 102

Statement of Resolution: The Illinois Association of School Boards shall adopt a style guide for proposed legislation and PRESS review that eliminates gendered pronouns and replaces them with direct reference to the role being referenced in the document (e.g., the superintendent or designee would always be referenced as such and never as he/she). Additionally, references to "each" or "both" genders would be replaced with "all" genders. References to "opposite" gender would be replaced with "not of the same" gender.

This style guide should be immediately implemented in new, proposed legislation and in all updates to PRESS Policy as the policies come up for review, either through the regular review process or as a policy is revised.

Resolutions Committee Analysis: The Committee feels the submission is an internal business function best addressed with the Board of Directors and does not direct the Association's advocacy efforts. A request for consideration will be sent to the IASB President, Simon Kampwerth.

⊗ The Resolutions Committee RECOMMENDS DO NOT PRESENT

CURRENT POSITION STATEMENTS DELETIONS AND AMENDMENTS

The Illinois Association of School Boards' resolutions process results in the adoption of several new position statements each year. The IASB Constitution (Article X, Resolutions, Section 3, Annual Review) and the Resolution Committee special rules, requires that the Resolutions Committee "annually review all position statements and resolutions in force."

Please review the following recommendations. Some position statements are no longer needed because the objective has been accomplished, some are issues that may never be accomplished, and some simply are no longer relevant because of the passage of time.

1.10 Every Student Succeeds Act Student Information Sharing Military Recruitment (D)

The Illinois Association of School Boards shall work with ~~the National School Boards Association and other coalitions state and federal organizations~~ to urge Congress and the General Assembly of Illinois to, ~~regarding the Every Student Succeeds Act~~, replace the opt-out burden on parents with an opt-in provision with regard to the requirement of secondary schools to disclose student information to military recruiters. (Adopted 2005; Amended 2016)

Rationale: Amend. Position has been updated numerous times to reflect changes to the Federal law and new administration renames of the education section of the law. Amendment suggestions will negate the need for an amendment as each administration renames the statute.

1.11 School Attendance Days (D)

~~The Illinois Association of School Boards shall support a policy variance by the Illinois State Board of Education to allow Unit School Districts the option to stagger the start and end date of schools within their district based on developmental and educational appropriateness, without penalty to state aid appropriations, provided that all students in the district meet required student attendance requirements. (Adopted 2004)~~

Rationale: Delete. Section 105 ILCS 5/10-19 of the School Code provides that "Each school board shall annually prepare a calendar for the school term..." Illinois State Board of Education (ISBE) allows school districts to adopt calendars for underlying schools to follow different calendars, as long as each school's calendar meets the minimum number of attendance day requirements set forth in law. If a school district adopts a district calendar allowing for different calendars for buildings or otherwise, the district must officially code for reporting purposes, based on what the majority of students are doing that day. This information effectively addresses the intent of the position statement, making it no longer necessary.

2.08 Permissive Rate Equalization (D)

~~The Illinois Association of School Boards shall urge the Illinois General Assembly to equalize taxing authority without referendum of dual and unit districts in all funds so that the unit districts' authority would be equal to the sum of the dual districts' tax rate. (Adopted 1981; Amended 1986; Reaffirmed 1988)~~

Rationale: Delete. 105 ILCS 5/27-2 establishes the maximum property tax rates for school districts. Several school funding models, post 1965 have been adopted resulting in changes to this law, increasing the statutory maximums over time. In addition to changes in the school funding formula, Illinois relies on local property taxes for the bulk of the funding for our schools, over 60%. Enactment of the Property Tax Extension Limitation Law (PTELL) in 1992 impacted rates that determine the bulk of the local share of school funding. The enactment of the Evidence Based Funding Formula (EBF) in 2017, utilizes evidence-based education practices as the driver of state resources for schools. It is unlikely that this rate equalization directive remains applicable in 2022 given the impact of PTELL and the funding formula based upon an adequacy target, utilizing investment cost factors that reflect the general intent of this position. Given our current funding realities, significant data analyses to study the impact of an automatic statutory increase in the maximum rate for unit school districts would be required to carry out this directive and would likely find it inapplicable.

2.19 School Construction Grant Index (D)

~~The Illinois Association of School Boards shall support legislation that would amend Section 5-5 of 105 ILCS 230 to calculate the grant index in the school construction program for each of those school districts that consolidate or join for a cooperative high school after July 1, 2006 and utilize whichever grant index is highest for the newly consolidated district or cooperative high school rather than a composite index of all districts involved. (Adopted 2006)~~

Rationale: Delete. The provision for access to grants for Cooperative High Schools (105 ILCS 5/10-22.22c and 105 ILCS 230/5-5) remained untouched in the recent amendments to the School Construction Grant Program in PA 102-0723 (HB 3637). Position Statement 2.19 includes references applicable to school districts seeking facilities for cooperative high schools planning to build after 2006, therefore not eligible for conditional grant awards for projects not previously promised funding through the 2004-2006 grant entitlement process. Amendments to the Act in PA 102-0723, do not change the provision "The average grant index of those school districts shall be used as the grant index for the newly reorganized district or cooperative high school" that this position seeks. However, given that the School Construction Grant program experienced a comprehensive amendment, thoroughly discussed including a task force and much legislative deliberation, it is unlikely that this position statement can be realized.

~~2.21 Non-Resident Student Tuition (D)~~

~~The Illinois Association of School Boards shall support legislation to allow legally enrolled students who have become non-residents of the district to attend the school as a non-resident student, tuition-free, only until the end of the grading period in which the student was determined to be a non-resident. The legislation should allow students who are seniors in high school, and legally enrolled on the first day of school to continue in the district, tuition free, only until the end of that school year. (Adopted 2007; Reaffirmed 2008)~~

~~**Rationale:** Delete. 105 ILCS 5/10-20.12a already provides that if a student becomes a non-resident during a school term, the student must be permitted to attend school without paying tuition until the end of the term.~~

~~2.43 Property Tax Cap Expiration (D)~~

~~The Illinois Association of School Boards shall support a change in State law to create a four-year sunset on the implementation of the Property Tax Extension Limitation Law (PTELL) in each county in which PTELL has been enacted. The four-year sunset would also apply to the enactment of PTELL in any county approving PTELL after the effective date of the legislation. Any desire to extend PTELL beyond the four years would require the County Board to again place the question on the ballot and receive a positive majority of votes in the next general election. (Adopted 2004; Reaffirmed 2006, 2007)~~

~~**Rationale:** Delete. PTELL has been in force for nearly 30 years, making the provisions of this position statement, not only unlikely, but in addition to changes that have been enacted over time, completely unworkable.~~

~~2.47 PTELL — Debt Service Extension Base (D)~~

~~The Illinois Association of School Boards shall support legislation (currently House Bill 1341) to modify the Debt Service Extension Base (DSEB) formula established by the Property Tax Extension Limitation Law (PTELL) to allow the limited number of school districts that do not have DSEB to have one established for them creating more equity among districts affected by the PTELL and equal opportunity in school funding. (Adopted 2011)~~

~~**Rationale:** Amend. Removed reference to specific legislation from 2011.~~

~~2.48 PTELL No Penalty For Under Levy (A & D)~~

~~The Illinois Association of School Boards shall support legislation that allows school districts to levy an amount less than the Property Tax Extension Limitation Law (PTELL) formula would allow without penalty in future years. This would require that when a district “under” levies, the district will have the ability to reassess the reduced levy taken in a given year and recover the full entitled levy for a period of three years from the effective date of the reduced levy. A district will not be entitled to reassess the reduced levy once the three-year limit has expired. (Adopted 2012; Amended 2017)~~

~~**Rationale:** Delete. PA 102-0895 (SB 1975) provides a version of this initiative. Since the adoption of this position statement IASB staff has been vigilant in having the issue introduced in various bills since 2012. The version adopted in PA 102-0895,~~

35 ILCS 200/18-190.7 enacts many of the provisions in this position statement with some limitations. Most importantly, it enacts what has been sought by this position statement, allowing school districts that choose to abate through a process of “under levy” and recapture, i.e. “aggregate extension limit” means the taxing district’s last preceding aggregate extension if the district had utilized the maximum limiting rate permitted without referendum for each of the 3 immediately preceding levy years.

~~2.54 State And Local Federal Tax Deduction (A)~~

~~The Illinois Association of School Boards shall work with the National School Boards Association and other coalitions state and federal organizations to defeat any legislation or regulation that would eliminate the federal income tax deduction for state and local taxes. (Adopted 1985)~~

~~**Rationale:** Amend. Broaden definition of Coalition removing NSBA and review regarding recent federal tax law.~~

~~2.58 Transportation For Private School Students (D)~~

~~The Illinois Association of School Boards shall pursue and support legislation amending 105 ILCS 5/29-4 of the Illinois Compiled Statutes (School Code) to require schools other than public to conform to public school attendance dates and times as needed to minimize busing costs, or pay the additional costs as a result of scheduling differences in busing students attending those schools. (Adopted 1995)~~

~~**Rationale:** Delete. To date, legislation has not been brought forward on this issue. Given the complexity and unlikely success compelling private schools and charter schools to conform to the public school’s schedule called for in this position statement, deletion of Position Statement 2.58 is recommended.~~

~~4.01 Self-Insure Risk (Z)~~

~~The Illinois Association of School Boards shall propose legislation which would allow school districts, by board resolution, to self-insure the risk previously covered by surety bonds. (Adopted 1993)~~

~~**Rationale:** Delete. Due to changes surrounding tort immunity since this position statement has been adopted and the fact that it has been nearly 30 years since adoption without any updates deletion is recommended for Position Statement 4.01.~~

~~5.12 School District Police Force (D)~~

~~The Illinois Association of School Boards shall support legislation that would allow any school district who previously established a professional police force to re-establish a police force with all the duties and responsibilities of local law enforcement agencies. (Adopted 2019)~~

~~**Rationale:** Delete. The position statement was adopted to provide Peoria CUSD 150 with IASB support, with the hope that it would help them address the issue in their area. Because of its narrow scope, it could be deleted at this time.~~

~~6.10 Design Profession Selection~~

~~The Illinois Association of School Boards shall support legislation in the Illinois General Assembly amending or repealing the Local Government Professional Services Selection Act, or any other applicable laws, rules, or~~

~~regulations, to the extent necessary to permit Illinois school boards to solicit, and to permit licensed architects, engineers, and land surveyors to submit cost proposals for these professional services as part of a school board's design professional selection process. (Adopted 1997)~~

Rationale: Delete. Earlier this year, the Service Associates Executive Committee contacted IASB staff and leadership requesting deletion. The Committee has had several discussions about the Qualifications Based Selection process as it pertains to Position Statement 6.10 and on the design profession selection process. The following rationale was provided by the Service Associates. Whereas IASB Service Associates represent a wide range of expertise, offering a wealth of knowledge to the Association and its member school boards by providing advice and information to IASB staff and directors on legislative and administrative matters:

- Therefore, since architects and engineers are called on to provide professional opinions, advice, direction and oversight to the planning, design, maintenance, and upkeep of the facilities and grounds that are dedicated to the education of Illinois students, it is distinctly to the advantage of local boards of education to select these licensed professional advisors on the basis of their expertise, experience, and unique capabilities, exclusive of the pressures of limiting their time and value brought about by lowest initial understanding of the cost of services.
- Therefore, once the architects and/or engineers determine the specific nature and scope of work necessary to meet or exceed the needs and desires of the district, the open and competitive nature of construction bidding will afford the district the most economical price, for the planned work

or project. Once a design professional has been properly selected through the Qualification Based Selection (QBS) Process, the district is free to negotiate the cost of services with the selected firm in a professional manner.

- Thus, the two-step process of hiring a design professional to ensure quality and value and then competitively bidding construction and work will deliver the best outcome of meeting the quality/value needs at the lowest cost.
- School districts are well networked, including via IASB and Illinois ASBO, and school district administrators typically contact other school districts as to learn what those districts are paying for services associated with their specific scope. This QBS Process has been adopted by local, state, and federal agencies across the nation in response to verified success and testimony to best represent the public client interest in quality, time, and cost.

~~6.21 E-Learning Election Days (Z)~~

~~The Illinois Association of School Boards shall support and encourage legislation that would allow school districts to use an e-learning day or remote learning day in lieu of closing a school or the district on an election day, during a public health response requiring use of a school, or on any other day during which a school is mandated to be used for a public function during school hours. (Adopted 2020)~~

Rationale: Delete. A school district is allowed to conduct E-Learning Days due to their facilities being used as a polling place. We can delete this position statement as we achieved successful enactment. 105 ILCS 5/10-20.56 <https://www.ilga.gov/legislation/publicacts/102/102-0697.htm>

CURRENT POSITIONS

EDUCATIONAL PROGRAMS

1.01 Educational Programs

The Illinois Association of School Boards shall urge its member districts to develop educational programs so as to maximize educational opportunities for students by fully utilizing teacher and staff potential, community resources, and physical facilities. The goal of each district shall be to serve the interest, talents, and needs of each child through an outstanding well-balanced program. The Association shall also encourage its members to increase their awareness of the Mental Health Code (405 ILCS 49/15) which supports developments and implementation of a plan to incorporate social and emotional standards as part of the Illinois Learning Standards. School personnel are encouraged to implement trauma-responsive practices to support student success within a trauma-responsive school framework. (Adopted 1959; Amended 1988, 2009, 2019)

1.02 Curricular Material Determination

The Illinois Association of School Boards shall support the right and responsibility of each local school board to determine its curricular content including opposing any mandated curriculum. (Adopted 1981; Amended 1983, 1988, 2001, 2013, 2020)

1.03 Physical Education

The Illinois Association of School Boards shall support modifications to existing state mandates which shall allow boards of education to establish time requirements and appropriate exemptions for physical education at the K-12 level. (Portions Adopted 1982, 1986; Reaffirmed 1984, 1987; Amended 1988, 1995, 2013)

1.04 P. E. Exemption For Show Choir

The Illinois Association of School Boards shall attempt to have legislation passed that would amend 105 ILCS 5/27-6 of the School Code of Illinois to grant an additional exemption for students, grades 9-12, enrolled in an ongoing Show Choir program for credit. (Adopted 2012)

1.05 Student Retention And High School Completion

The Illinois Association of School Boards shall urge Congress and the Illinois General Assembly to commit the appropriate resources and develop programs that would reduce the dropout rate throughout the state of Illinois with specific emphasis on early intervention in the elementary level and continuous intervention at the secondary school level to facilitate graduation. (Adopted 1986; Amended 2003)

1.06 Preschool Programs

The Illinois Association of School Boards shall support full funding of early childhood programs operated by public schools as a priority with legislation providing new monies for both staffing and infrastructure costs associated with early childhood programs for preschool children, at-risk infants and toddlers, and grants for parental training. (Adopted 1986; Amended 2001, 2006, 2007, 2016)

1.07 Discipline For Special Education Students

The Illinois Association of School Boards shall develop and implement a legislative agenda at the Federal and State levels which urges the adoption of legislation easing the legal restrictions imposed on local school boards for disciplining students enrolled in special education programs, including the suspension and expulsion of such students, and providing for a less restrictive access to records of transferees due to expulsion. (Adopted 1994; Amended 1995)

1.08 Standardized Test Procedures

The Illinois Association of School Boards shall urge the Illinois State Board of Education to contract with a national testing company to develop a state assessment test that will test the Illinois Learning Standards on a yearly basis in compliance with, and only testing those areas required by, the federal Every Student Succeeds Act. Further IASB shall support legislation to:

- Require that the test be given no later than October of each year with results received by local school districts no later than December of that same year;
- Provide that assessments include both an annual overall performance measure as well as a system of formative classroom-level assessments that are linked to desired standards;
- Require that the test will remain the same for 10 years with only changes in the test items to maintain security;
- Require that the cut scores be set before the test results are tabulated, leaving the score ranges the same from year to year and from grade to grade; and
- Expedite and fully fund test development and implementation of an appropriate assessment instrument for English language learners.

(Adopted 2002; Amended 2003, 2008, 2016; Reaffirmed 2011, 2019)

1.09 Student Assessment

The Illinois Association of School Boards shall support legislation that will modify required State student assessments, so testing does not go beyond what is required by federal law, and that prohibits the Illinois State Board of Education from pursuing activities designed to expand student assessment without legislative approval. Further, the Association shall support efforts to modify the Illinois and federal student assessment processes so that they will reduce costs to schools, the state, and therefore taxpayers;

- Enhance student achievement;
- Increase student instructional time;
- Facilitate test score comparability within and across state lines;
- Fairly test students who are English language learners so that their academic progress can be accurately assessed regardless of their fluency;
- Return test results in a manner that will allow school districts to maximize student learning;

- Comply with the federal accountability mandate tied to testing;
- Maintain a needed emphasis on the Illinois Learning Standards; and
- Develop a reporting process that reflects a school’s progress beyond simply student assessment scores.

(Adopted 2002; Amended 2008; Reaffirmed 2011, 2019)

1.10 Every Student Succeeds Act — Military Recruitment

The Illinois Association of School Boards shall work with the National School Boards Association and other coalitions to urge Congress and the General Assembly of Illinois to, regarding the Every Student Succeeds Act, replace the opt-out burden on parents with an opt-in provision with regard to the requirement of secondary schools to disclose student information to military recruiters. (Adopted 2005; Amended 2016)

1.11 School Attendance Days

The Illinois Association of School Boards shall support a policy variance by the Illinois State Board of Education to allow Unit School Districts the option to stagger the start and end date of schools within their district based on developmental and educational appropriateness, without penalty to state aid appropriations, provided that all students in the district meet required student attendance requirements. (Adopted 2004)

1.12 Funding For Differentiated Instruction

The Illinois Association of School Boards shall seek administrative and legislative actions calling for the provision of separate and sufficient new monies to support programs of differentiated instruction for those students identified as having exceptional talents and abilities, permitting these students to reach their potential. Such student talents and abilities may be in areas that expand beyond the core curricula. To ensure efficiency and productivity in the implementation of these programs, school districts should be provided sufficient flexibility in the acquisition and expenditure of such State funds. (Adopted 2007)

1.13 Bilingual Education Options

The Illinois Association of School Boards shall request the Illinois State Legislature to pass legislation to amend the current Illinois School Code to make Transitional Bilingual Education optional and not mandatory. (Adopted 2008)

1.14 Student Academic Placement

The Illinois Association of School Boards shall support local school district and parent collaboration, evaluation and decision-making regarding the grade-level placement of students based upon their academic, social, and emotional maturity and readiness to advance. 1.15 Virtual Charter Schools

The Illinois Association of School Boards shall encourage the Illinois State Board of Education to develop regulations

that ensure State-authorized virtual charter schools meet the full needs of Illinois students and follow the intent of current State laws prohibiting the use of public funds for profit-driven educational firms. (Adopted 2013; Amended 2020)

1.16 Charter School — Renewal Of Charters

The Illinois Association of School Boards shall urge adoption of legislation that allows for participation of the host school district in the charter school renewal process for State Authorized Charter Schools. (Adopted 2019; Reaffirmed 2020, 2021)

1.17 Charter Schools — At-Risk Students

The Illinois Association of School Boards shall urge the adoption of legislation that defines the special expectations of State Authorized Charter Schools to educate at-risk students, including the requirement that the State Authorized Charter School’s program and operations be specifically designed to attract and service at-risk students, and that the State Authorized Charter School be required to report to the public its progress in achieving these expectations. (Adopted 2019; Reaffirmed 2020, 2021)

1.18 Student Discipline Practices

The Illinois Association of School Boards shall oppose legislative and rulemaking initiatives that enact statewide student discipline policies. The IASB encourages school districts to consider policies and procedures that develop sound discipline practices which may:

- Ensure a safe, responsive and effective instructional environment.
- Strive to meet the social, emotional, and behavioral needs of all Illinois students.
- Strive to expedite investigations in response to alleged student misconduct and communicate findings and determinations to parents/guardians.

(Adopted 2014)

FINANCING PUBLIC EDUCATION — STATE

2.01 Priority And Support

The Illinois Association of School Boards shall urge the Governor and General Assembly of Illinois to establish education as the number one priority of state government, to increase funding of education to such levels as would be necessary to implement the constitutional requirement that the state have primary responsibility for financing the system of public education, including full funding of the Evidence-Based Funding formula. (Portions Adopted 1973, 1977, and 1986; Amended 1988, 2020; Reaffirmed 2000, 2004, 2006, 2012, 2014)

2.02 Funding Sources

The Illinois Association of School Boards shall support the enactment of additional sources of state revenue if, after thorough examination of state funding priorities, it is determined that such additional taxes are necessary. (Adopted 1975; Reaffirmed 1987, 2014; Amended 1988)

2.03 Funding Mandated Programs

The Illinois Association of School Boards believes that legislation encroaching upon local and lay control of the public schools should be curtailed, and, therefore:

- Shall oppose programs or services mandated by the Illinois General Assembly, the State Board of Education, or any other State agency, unless there is clear evidence of need for the mandate and the Illinois General Assembly provides non-local revenues to fully fund the additional costs of those programs;
- Shall urge the members of the General Assembly to strictly comply with the State Mandates Act, including specifying and labeling in the descriptions of legislation containing unfunded mandates that such mandates occur, and to refrain from passing any legislation which contains an exemption from the Act, and urge the Governor to veto any such legislation that may reach the Governor's desk;
- Shall urge State agencies and commissions that adopt regulations accompanying legislative mandates to specify required outcomes and criteria for determining compliance, and allow local districts to determine the specific methods and procedures by which required outcomes will be accomplished. Required time lines for accomplishment should reflect consideration of the human and material resources and amount of deliberation and development necessary to accomplish the mandate;
- Shall support legislation that causes all statutory and regulatory educational mandates to sunset if sufficient funding is not provided to implement such mandates and requirements. Local school districts may choose to continue to implement the mandated programs voluntarily until such time that the General Assembly appropriates the funding necessary to cover the costs of the required programs.

(Adopted 1976; Amended 1988, 1989, 2001, 2005, 2013; Reaffirmed 1980, 1991, 1994, 1999, 2002, 2009, 2014)

2.04 Funding Special Education Programs

The Illinois Association of School Boards shall urge the Congress of the United States to adequately fund Public Law 94-142 (Individuals with Disabilities Education Act) commensurate with the mandates required by the Act; and:

- Shall strongly encourage the State of Illinois to totally fund with new monies, in a timely manner, the extra costs of educating children with special needs including transportation and accessibility costs;
- Shall seek changes in current practice to fund local districts for special education professional personnel at 51% of the prior year's average salary for such professionals;
- Shall continue to oppose any requirement that local public school districts pay room and board costs for any handicapped child placed in private facilities;
- Shall encourage the state to create a new line item with funding from new dollars that school districts could request a one-time grant from, if a high-need child enrolls, or is identified, in the district after September 30 of the school year; and
- Shall support modifications to state laws that would equalize the reimbursement provisions so funds would be distributed through a placement neutral process.

(Portions adopted 1977, 1980, 1986; Amended 1988, 2000, 2001, 2019 Portions Reaffirmed 1985, 1986, 2002, 2021)

The Illinois Association of School Boards shall oppose any attempt to reduce the Corporate Personal Property Replacement Tax revenues provided by the current Act. (Adopted 1981)

2.06 Impact Aid (Student Housing)

The Illinois Association of School Boards shall support legislation reinstating Impact Aid to school districts where there are students residing in housing provided on state property from which no property taxes are received. The Impact Aid shall be based on the number of students generated from the state property. (Adopted 1986)

2.07 Tax Assessment Schedules

The Illinois Association of School Boards shall seek and support legislation to promote the beneficial realignment of tax assessment dates and school levy deadlines. (Adopted 1988; Reaffirmed 1998)

2.08 Permissive Rate Equalization

The Illinois Association of School Boards shall urge the Illinois General Assembly to equalize taxing authority without referendum of dual and unit districts in all funds so that the unit districts' authority would be equal to the sum of the dual districts' tax rate. (Adopted 1981; Amended 1986; Reaffirmed 1988)

2.09 Residential Placement Costs

The Illinois Association of School Boards shall inform the General Assembly and Governor's Office that children who are wards of the State create a significant impact on local school district budgets when they are placed in temporary shelters and foster homes. Further, the State shall provide 100% of the cost of these placements. The Association:

- Shall work to increase the financial incentives to those local school districts which provide alternatives to residential placement for those students;
- Shall initiate and support legislation that will require the Department of Children and Family Services to involve local school districts in any plans for group placements of children in those districts and that funds for educating the placed youngsters must be earmarked (appropriated, planned for) in the agency's budget prior to finalizing any plan; and
- Shall seek and support legislation for the State of Illinois to provide funds to local school districts for purchasing or constructing additional classrooms that are required to provide instruction for students who reside in state facilities located within the district.

(Adopted 1991; Amended 2001)

2.10 State Aid Payments

The Illinois Association of School Boards shall support legislation that requires the State of Illinois to make state aid funding formula payments to school districts, on a monthly basis, during the entitlement year in which they are appropriated. Furthermore, the Illinois Association of School Boards shall support legislation that requires the State of Illinois to pay interest at the current legal rate on any payments which are late. (Adopted 1991; Reaffirmed 2000, 2014; Amended 2011, 2020)

2.11 Capital Funding For School Construction

The Illinois Association of School Boards shall actively work with the Illinois General Assembly and the Illinois State Board of Education to increase capital funding for public school infrastructure improvement and development. The IASB shall advocate that the General Assembly study and consider additional forms of financial revenue for school construction needs, including but not limited to, sales tax revenue. Any new revenue shall supplement current school construction funds, not supplant them. (Adopted 1994; Amended 1998, 2006; Reaffirmed 2007, 2014)

2.12 Summer School Funding

The Illinois Association of School Boards shall support legislation to provide adequate funding to school districts to provide summer school "at risk" academic programs. (Adopted 1996)

2.13 Local Tax Collection And Distribution

The Illinois Association of School Boards shall seek legislation to amend the tax code, or other prescriptive procedures, to minimize the punitive effects of delinquent collection and disbursement to districts of tax moneys raised by local levy. In the event tax monies are not collected or disbursed as required by State law, it shall be the county's obligation to reimburse the taxing district for any loss incurred. (Adopted 1996; Amended 1999)

2.14 Tax Levy Amendments

The Illinois Association of School Boards shall seek legislation to provide that a duly constituted Board of Education may

submit an amended tax levy to avail itself of potential additional revenue through a change and increase in district EAV (Equalized Assessed Valuation), provided the original levy was properly filed on time, based upon the best information available at the time of filing, and the change in EAV has occurred since the filing of the original levy. (Adopted 1996)

2.15 Alternative Schools

The Illinois Association of School Boards shall support adequate State funding for regional alternative schooling programs. (Adopted 1997)

2.16 Tort Immunity Fund

The Illinois Association of School Boards shall oppose legislation that seeks to limit a school district's legitimate use of the tort immunity fund. This includes amendments to the Local Government and Governmental Employees Tort Immunity Act that would prohibit the issuance of bonds or the levying of taxes by a school board to fund the costs of complying with equitable remedies or relief, or with an injunction agreed to by the school board or ordered by any court. (Adopted 1998)

2.17 School Funding And Taxation Reform

The Illinois Association of School Boards shall oppose school funding and tax reform proposals unless the State guarantees the payment of property tax relief grants will be made in a timely fashion with no loss of funds to the school district, and that school districts have continued access to local property tax revenues through levies and referenda. (Adopted 2004; Amended 2005, 2020; Reaffirmed 2014)

2.18 School Construction Grant Program

The Illinois Association of School Boards shall continue to support the current School Construction Grant Program and its provisions for grant applications, grant entitlements, grant awards, and local school district authority to select architects, engineers, contractors, and laborers. All school districts with an approved school construction grant entitlement shall be paid the amount of the entitlement in its entirety before a new school construction program can be implemented. School districts shall receive a priority ranking within 90 days of the end of the current year's application cycle. The Illinois State Board of Education shall priority rank, by grant year, all school districts that have been waiting for longer than 90 days for school construction grant funds. (Adopted 2006, Amended 2014, Reaffirmed 2015)

2.19 School Construction Grant Index

The Illinois Association of School Boards shall support legislation that would amend Section 5-5 of 105 ILCS 230 to calculate the grant index in the school construction program for each of those school districts that consolidate or join for a cooperative high school after July 1, 2006 and utilize whichever grant index is highest for the newly consolidated district or cooperative high school rather than a composite index of all districts involved. (Adopted 2006)

2.20 Constitutional Amendment On School Funding

The Illinois Association of School Boards shall support passage of an amendment to the Illinois Constitution that

would make education a fundamental right, would make it a par- amount duty for the State to provide a thorough and efficient system of public education, and that would provide that the State has the preponderant financial responsibility for financing the system of public education. (Adopted 2006; Reaffirmed 2007, 2014)

2.21 Non-Resident Student Tuition

The Illinois Association of School Boards shall support legislation to allow legally enrolled students who have become non-residents of the district to attend the school as a non-resident student, tuition-free, only until the end of the grading period in which the student was determined to be a non-resident. The legislation should allow students who are seniors in high school, and legally enrolled on the first day of school to continue in the district, tuition free, only until the end of that school year. (Adopted 2007; Reaffirmed 2008)

2.22 ISBE Oversight Agreement

The Illinois Association of School Boards shall work to modify state statutes governing Illinois State Board of Education (ISBE) school district oversight panels or finance authorities. Statutory changes should include, but not be limited to, the following:

- Unless called for by the local school district, an oversight panel or finance authority shall not be imposed without a rigorous set of criteria proving the school district will not or cannot serve the needs of its students, staff and community;
- Clear benchmarks and goals shall be included in the establishment of an oversight panel or finance authority and once substantially met, the oversight panel or finance authority shall be dissolved;
- Bonding authority and issuance must remain the responsibility of the elected school board so that the duration of the oversight can be minimal;
- Progress toward benchmarks and goals must be reviewed and shared with the school district under oversight on a regular basis including any reasons or criteria for inability to make progress. Review should also recommend any modifications needed to achieve success;
- Due process and review by the Attorney General must be afforded school districts when appropriate; and
- ISBE authority to establish oversight panels or finance authorities shall not be broadened to facilitate imposition of a panel or authority or to expand their oversight once put in place.

(Adopted 2009; Amended 2010)

2.23 Multi County School District GSA Offset

The Illinois Association of School Boards shall support legislation to modify calculation for multi-county PTELL (Property Tax Extension Limitation Law) school districts which have experienced a loss of state aid for current and prior years due to

an estimate of Equalized Assessed Value (EAV) utilized by the county providing the limiting rate to the Illinois State Board of Education (ISBE) for use in calculating a District's base funding minimum. (Adopted 2010; Amended 2020)

2.24 Categorical Reductions Prospective Only

The Illinois Association of School Boards shall support legislation requiring that any reductions in line item funds for categorical payments which are subject to reimbursement by the State (e.g. transportation or special education) shall be prospective only and shall not affect such line item costs incurred by a school district prior to such reduction but not yet claimed or approved for reimbursement. (Adopted 2011)

2.25 State Authorized Charter School Funding

The Illinois Association of School Boards shall urge adoption of legislation which would create a new methodology for the funding of State Authorized Charter Schools which would not have a negative financial impact on the host district, particularly in the spirit of evidence-based funding. With respect to State authorized virtual charter schools, further limit the withholding of State funds from host school districts in proportion to the per pupil expenditure used for building maintenance, classroom supplies, transportation, safety and security, and other costs unique to "brick and mortar" schools. For all State-authorized charter schools, require that proof of continuing enrollment and attendance be submitted quarterly, with prorated refunds to the host school district upon withdrawal of students from the charter school. (Adopted 2012; Amended 2013, 2014, 2019; Reaffirmed 2016, 2017, 2018, 2020)

2.26 Special Education Student Transportation Cost

The Illinois Association of School Boards shall support legislative, administrative, or legal remedies to limit and equalize cost for Special Education Student Transportation. (Adopted 2014)

2.27 School Safety Grant Program

The Illinois Association of School Boards shall advocate for the creation and funding of a school safety grant program at the state level that would assist school districts in the hiring of School Resource Officers (SROs) or school security personnel for the protection of students and staff. SROs in this instance shall meet the definition in section 10-20.67 of the School Code. School security personnel may include off-duty law enforcement officers or a law enforcement officer who has retired within the previous five years. School security personnel may carry a firearm in a school if they continue receiving the same ongoing firearm training as active police officers. Priority in the distribution of grants shall be based on both geography (school districts with lengthy response times from first responders) and financial need (Tier I and Tier II districts based on the Evidence-Based Funding model in that order) would receive priority in the awarding of the grants. (Adopted 2019)

FINANCING PUBLIC EDUCATION — LOCAL

2.28 Property Tax Assessment And Collection

The Illinois Association of School Boards shall oppose the assessment and collection of property taxes at the statewide level. (Adopted 1987)

2.29 Property Tax Base

The Illinois Association of School Boards shall oppose any reduction in a district's access to local property tax revenue and shall oppose legislation that would erode the property tax base to educate children in the state of Illinois. (Adopted 1987; Amended 1988, 2001; Reaffirmed 2005, 2006, 2016)

2.30 Standing On Tax Appeals

The Illinois Association of School Boards shall support legislative action to enable public school districts, in Cook County specifically, to (1) receive notices of assessment appeals in excess of \$100,000; (2) become participants in assessment reduction proceedings at the administrative and judicial levels; and (3) allow the refund to be credited toward future property tax payments. Further, the IASB urges that the necessary resources be made available in order to facilitate the timely processing of property tax appeal proceedings. (Adopted 1975; Amended 1988, 2000, 2005, 2006; Reaffirmed 1985)

2.31 Tax Increment Financing

The Illinois Association of School Boards shall support changes in the current Tax Increment Financing statute that will model adoption procedures after those established for Enterprise Zones, continue to provide definitions for terms such as "blighted" used in the statute, develop procedures for disbanding TIF areas that do not produce anticipated growth, remove the requirement that all taxing bodies participate equally, to be monitored by the TIF Joint Review Board at each of its scheduled meetings, reduce the financial impact of the TIF area so that the percentage loss of Equalized Assessed Valuation (EAV) involved in the TIF will not exceed twice the average loss of EAV to each taxing body, limit its use in new residential development, and make the recommendation of the Joint Review Board binding. (Adopted 1986; Amended 1990, 1997; Reaffirmed 2006, 2016)

2.32 Site Development

The Illinois Association of School Boards supports requiring builders and subdividers to dedicate land for school purposes or to make cash payments in lieu of such dedications and to allow cash payments to be used for operational expenses. (Adopted 1971; Amended 2004)

2.33 Property Tax Cap

The Illinois Association of School Boards shall oppose any limitation which would require school boards to have to go to referendum to gain authorization to extend taxes to limits previously authorized by the voters. The Association shall support legislation designed to:

- exempt the districts in counties under the Property Tax Extension Limitation Law (PTELL) from the restrictions

of the tax cap in their Fire and Life Safety, IMRF, Social Security and Tort Immunity funds;

- base the property tax cap on the Employment Cost Index (ECI) rather than the Consumer Price Index;
- base any such index (CPI or ECI) on a method for calculating average over time to lessen the unpredictability of tax capped local resources; and
- to establish a "floor" to PTELL to ensure that the allowable percentage increase in the extension cannot be less than the allowable percentage increase in the 1998 levy year.

(Adopted 1990; Amended 2001, 2002, 2006, 2009; Reaffirmed 1991)

2.34 Property Tax Cap — GSA Calculation

The Illinois Association of School Boards shall support legislation to modify the state aid calculation for school districts subject to PTELL (Property Tax Extension Limitation Law) such as that they are not penalized when successfully passing an operating fund rate increase referendum. (Adopted 2008; Amended 2020)

2.35 Property Tax Classification

The Illinois Association of School Boards shall oppose any reduction in real estate assessment for residential property which is not offset on a one-to-one ratio. (Adopted 1991; Reaffirmed 2016)

2.36 Evidence-Based Funding Model

The Illinois Association of School Boards believes that adequate funding must be provided for each student in order to guarantee the opportunity for an appropriate public education, and therefore supports the Evidence-Based Funding Model for state aid distribution. This funding model meets the following principles supported by IASB:

1. It takes into account the cost associated with delivering quality, research-based programming, geographic conditions, and student needs. Fully funding districts would ensure adequate funding for districts to locally determine and deliver appropriate and effective educational experiences to every student.
2. It provides for a stable, reliable, and predictable commitment of revenue.
3. It is a function of the actual cost of providing an appropriate education based on research, data, and current best practices.

(Adopted 2019)

6.21 E-Learning Election Days

The Illinois Association of School Boards shall support and encourage legislation that would allow school districts to use an e-learning day or remote learning day in lieu of closing a school or the district on an election day, during a public health response requiring use of a school, or on any other day during which a school is mandated to be used for a public function during school hours. (Adopted 2020)

6.22 Local Control Pandemic

The Illinois Association of School Boards shall encourage members of the U.S. Congress, the Illinois General Assembly, related administrative agencies, and state and federal courts to take a regional approach in response to national health emergencies. (Adopted 2020)

DISTRICT ORGANIZATION AND ELECTIONS

7.01 District Reorganization

The Illinois Association of School Boards favors school district reorganization and consolidation intended to facilitate educational improvement rather than changes in district organization based only on enrollment or geographical location. Further, IASB shall oppose any future attempts by the Legislature, Governor, and/or State Board of Education to mandate, by statute or rules and regulations, the reorganization and consolidation of school districts. Reorganization and consolidation studies should be initiated by local citizens. In addition, IASB shall oppose legislation containing financial incentives based solely on district size or organizational pattern intended to force school district consolidation or reorganization. (Adopted 1962; Amended 1985; Reaffirmed 2006)

7.02 School District Reorganization Voting Requirements

The Illinois Association of School Boards shall seek, encourage, and support efforts for school district reorganization — in all forms — to include a requirement that before such reorganization is deemed passed, a majority vote of voters in each of the affected districts is necessary. (Adopted 1987; Amended 1988, 2006)

7.03 Annexing District Requirements

The Illinois Association of School Boards shall seek an amendment to Article 7 of The School Code providing that neither a petition initiated by the citizens of one school district nor a petition initiated by a local school board of education seeking to annex their entire school district or a portion of the school district above and beyond one (1) home to another should be permitted without the affirmative vote of the citizens of each of the school districts affected. Specifically, 105 ILCS 5/7-1 and 7-2 shall be amended to include the following language: “When a petition is initiated by two-thirds (2/3rds) of the registered voters in one school district seeking to annex said district in its entirety to another school district or school districts and the board of education of such receiving school district or school districts has not adopted a resolution agreeing to such annexation, such annexation, if approved by the regional board of school trustees, shall not become effective until it is approved in an election called for the purpose of voting on the question of the voters in each school district affected.”(Adopted 1988; Amended 1996, 2006; Reaffirmed 2000)

7.04 Detachment From Unit District

The Illinois Association of School Boards shall oppose any efforts to amend the Illinois School Code to allow for less restrictive procedures for school districts to detach and form a new district. (Adopted 2005; Amended 2006)

7.05 Public Question Voting Dates

The Illinois Association of School Boards shall support legislation to repeal the statute in the Election Code, amended by Public Act 84-739, which became effective January 1, 1986, which restricts school districts from placing a public question on the ballot other than when voters are scheduled to cast votes for any candidates for nomination for, election to, or retention in public office. (Adopted 1986)

7.06 School Ballot Format

The Illinois Association of School Boards shall urge the State Legislature to review and revise the school ballot formats as

established in section 9-12 of the School Code to more clearly identify for whom the voter is casting a ballot. (Adopted 2001)

7.07 Election Schedules

The Illinois Association of School Boards shall continue to support the non-partisan election of school board members at a non-partisan election. (Adopted 2003; Amended 2006)

7.08 Polling Places In Schools

The Illinois Association of School Boards shall support legislation that amends the Election Code to allow a school district to refuse to be used as a polling place during elections for student safety reasons. If a school building is used as a polling place, the safety of the children and staff should not be compromised, and voters must be physically separated from students when the school is in session. (Adopted 2007; Amended 2009)

7.09 School As Polling Place Reimbursement

The Illinois Association of School Boards shall support legislation that amends the Election Code and the School Code to mandate that the appropriate officer or board having responsibility for providing a polling place for the election reimburse the school district for any costs, included cost of security to ensure student safety, in acting as a polling place which estimated costs shall be provided to the appropriate officer or board in advance of any decision to use a particular public building in order to ensure the efficient use of public resources. (Adopted 2017)

7.10 School Board Elections — Seating New Members

The Illinois Association of School Boards shall support legislation allowing newly elected candidates, who have been elected uncontested, to be sworn in or affirmed at the next regularly scheduled board meeting or special meeting, held at least 14 days after the Consolidated Election. (Adopted 2019)

7.11 School Board Elections — Terms

The Illinois Association of School Boards shall support legislation that all school districts having a population of not more than 500,000 shall serve four-year terms and be seated at the first board meeting held at least 14 days following the school board election. (Adopted 2019)

7.12 Reorganize Board-From 28 To 40 Days

The Illinois Association of School Boards shall support legislation to change the legal requirement of reorganizing a newly elected board of education to “from within 28 days” to “from within 40 days” of the election. (Adopted 2021)
