Educational Support Personnel

5:330 Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Please refer to the applicable bargaining agreement(s).

For those not covered by a bargaining agreement:

Please refer to the Explanation of Non-Union, Non-Administrative Staff Benefits for the current fiscal year for information on number of sick leave days granted and permissible uses of sick leave days.

Sick leave is defined in State law as personal illness, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, ~~or~~ placement for adoption, or the acceptance of a child in need of foster care. The Superintendent and/or designee shall monitor the use of sick leave.

For purposes of granting sick leave days, part-time employees are those who work a minimum of 15 hours per week. Instructional and special education aides assigned to Jefferson Early Childhood Center, working a minimum of twenty-six (26) hours per week, will be considered full-time, or half-time if they work a minimum of thirteen (13) hours per week.

Sick leave shall be reported and charged in full or half day increments. If an employee's absence on a particular day is for a period of time equal to no more than one-half (1/2) of the scheduled hours of work, excluding any meal break, for that day, he/she shall be charged for one-half (1/2) day of leave. Any absence which exceeds one-half (1/2) of that day's scheduled hours of work shall be charged as a full-day of leave.

As a condition for paying sick leave after three days absence for personal illness ~~or 30 days for birth~~ for birth or as the Board or Superintendent deem necessary in other

cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a chiropractic physician licensed under the Medical Practice Act, (3) a licensed advanced practice registered nurse, (4) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (5) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or the Superintendent may require medical certification.

~~The use of paid sick leave~~ For purposes of adoption, or placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need to foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Part-time employees receive no vacation.

Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all granted and unused vacation days.

Requests for vacation should be submitted to the employee's supervisor and must be approved by the Superintendent or his/her designee prior to taking vacation. Every effort will be made to meet the desires of the employee, subject to the District's staffing needs.
