- Share information regarding vaccine opportunities for those eligible ✓
- Masks in schools (update from 7/14 Board Meeting) ✓

Contact Tracing

Districts 200 works with our local health departments to facilitate contact tracing of infectious students, teachers, and staff, and consistent implementation regarding isolation of cases and quarantine of close contacts. Each building has a team that works collaboratively to effectively carry out contact tracing.

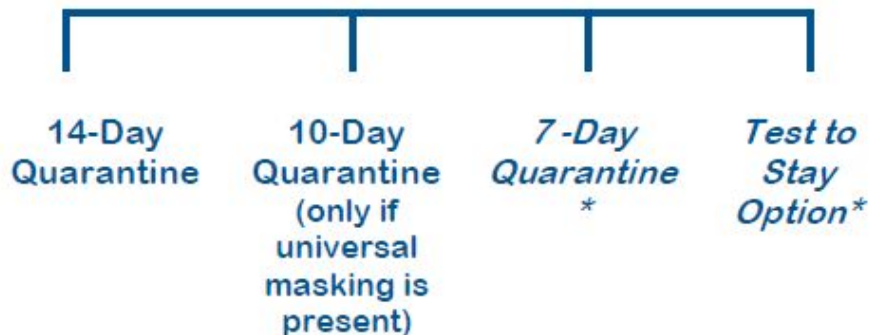

Contact Tracing Event

NO VACCINE

Quarantine Required
4-Plans Identified by IDPH & ISBE
(must be approved by local health department)

**not currently allowed by DCHD*

VACCINATED

If not symptomatic – individual does not need to quarantine.

If symptomatic – individual should stay home and follow the IDPH Decision Tree to return to school.

Supporting Students in Quarantine or Isolation

- **Current curriculum and learning activities will be accessible to all students.**
- **Staff will provide instructional supports to their students.**
- **Students will have the opportunity to maintain connections their school.**
- **Remote learning experiences will maintain classroom learning.**

We are in the process of hiring additional staff to offer students direct support on a daily basis.

COVID-19 Testing Option

- **District 200 is offering free, optional testing for school district students, teachers, and staff members for COVID-19 infection.**
- **District 200 has partnered with the University of Illinois/SHIELD (“Testing Partner”) to test School District students, teachers, and staff members for COVID-19 infection.**
- **Families were notified of this option on 8/13 and had the opportunity to opt-in through 8/17.**
- **Staff were made aware today (8/18) about the opportunity to opt-in to the program as well.**

COVID-19 Dashboard and Notification

- **The District will maintain a COVID-19 Dashboard on the District website that is separated by school.**
- **This dashboard will be updated by end of day each Wednesday with the previous week's data.**
- **This public dashboard will serve as the school's weekly COVID-19 notification process.**

Proof of COVID-19 Vaccination

- **District 200 will collect proof of COVID-19 vaccination from families and staff that choose to submit it.**
- **Families and staff can voluntarily submit a copy of proof of vaccine to your school health office.**
- **School nurses will collect proof of vaccine to assist in contact tracing for the upcoming school year.**
- **At this time, students and staff who have had the vaccine will not be required to quarantine if the student is a suspected close contact to a positive case.**
- **District 200 will continue to partner with the DuPage County Health Department to promote vaccine opportunities in the area.**
