52	January 31, 2024	<p>I hope you all are having a great start to your year. I just wanted to introduce myself. I am the new Commander of Downers Grove Recruiting Company that covers Greater Chicago and mostly Wheaton School District. In regard to Wheaton North HS and Wheaton Warrenville South HS Military Contact List for those individuals who “opted in,” we were only provided Male students names and graduation year without any phone numbers, emails, and addresses. We are required the same information that schools provide to Universities. According to the <i>Every Student Succeeds Act (ESSA) of 2015</i>, “each local educational agency receiving assistance under this Act shall provide, upon a request made by a military recruiter or an institution of higher education, access to the name, address, and telephone listing of each secondary school student served by the local educational agency, unless the parent of such student has submitted the prior consent.”</p> <p>Is there any chance we can have the list with these requirements?</p>	Information Provided February 13, 2024	1LT Michael Owens CDR, Downers Grove Recruiting Company
