75	April 12, 2024	<p>-Background to understand and assist in locating the the documents I seek-</p> <p>Requester has knowledge that during a period of time in February and March 2024, Mr. Scot Hansen was suspended with cause. While Hansen was suspended, his classroom duties were assigned to a "substitute teacher". Upon Hansen completing his suspension, and returning to the classroom, Hansen made open statements and comments to a particular class knowing that student(s) were present in the class who's parents had complained of conduct for which Hansen was suspended. Hansen went further in that he conducted an open poll of all students in the classroom that measured only one particular classroom students opinion of Hansen's suspension, as well as the performance of Hansen's temporary replacement.</p> <p>1) I request copies of the noted student poll and results conducted by Hansen.</p> <p>2) I request copies of any document that identifies any other class that Hansen polled.</p> <p>3) I request copies of CUSD200 policy that may apply or addresses a staff member who retaliates, mocks or attempts to intimidate students due to a student or students parent making a complaint or is a witnesses against a staff member.</p>	<p>No Responsive Records April 23, 2024</p>	<p>Baxter Wilson</p>
