2021-22 EARLY CHILDHOOD & ELEMENTARY HANDBOOK

## **C O M M U N I T Y U N I T S C H O O L D I S T R I C T 2 0 0**

Most of the information referenced in this student handbook is based on Board of Education policy. A complete policy manual is posted on the District's website **[www.cusd200.org](http://www.cusd200.org)**.

Policy manuals are also available for review in each of the District's schools and at the School Service Center, 130 W. Park Ave., Wheaton, 60189.

School rules published in this handbook are subject to such changes as needed to ensure continued compliance with Federal, State or local regulations and are subject to review and alteration as may become necessary for the routine operation of the school. Not all rules of behavior can be written and inserted in a handbook; however, students are expected to follow rules and not violate the rights of others.

Annually, parents will be asked in ParentVue to acknowledge they know where to locate the contents of this handbook should they need it. All handbooks are located under the Parents tab of the District website and each school website.

# General School Information

---

## **BICYCLES**

Students are to walk their bikes once they arrive on school property. Loitering at the bicycle racks is prohibited, and can result in loss of riding privileges. Bikes are to be perpendicular to the bike rack to allow space for other bikes. All bikes must be locked. The school does not assume responsibility for stolen or damaged bikes. It is recommended that students use bike helmets and that riders be no younger than third grade.

## **BIRTHDAY CELEBRATIONS**

Only non-edible items can be used for birthday celebrations.

## **BUILDING OCCUPANCY AFTER SCHOOL**

Parents and students are asked to respect teachers' after school planning time by not visiting classrooms after school is dismissed, except by previous arrangement with the teacher. Parents should contact the front office or classroom teacher to determine how a student may retrieve homework assignments, textbooks, or personal items left in the classroom.

## **CELLULAR PHONES**

Students may not use a cellular phone or any other electronic communication device in any manner that disrupts the educational environment. Any student carrying a cellular phone must keep it turned off and out of sight during the regular school day unless authorized and approved by the building principal. (Policy 7.190)

## **CHILD ABUSE REPORTING**

When a school staff member has reasonable cause to suspect a student has suffered physical or sexual abuse or neglect, he/she is required to report that suspicion to the Illinois Department of Children and Family Services Hot Line, 1-800-25-ABUSE (800-252-2873). The "reporter" of the suspect case is protected by law and his/her anonymity and confidentiality is maintained. School personnel are not obligated by law to inform parents when they report suspected child abuse or neglect.

## **CLASSROOM INTERRUPTIONS**

Classroom interruptions are kept to a minimum to protect the learning environment. It is the student's responsibility to check at the office for forgotten lunches or homework. Students will not be called from class to answer phone calls or to pick up forgotten items. Messages will be delivered in emergency situations. Likewise, messages for teachers will be taken during school hours and the teacher will return the call at his/her earliest opportunity. Students should not expect to make general use of the office telephone. This rule will be strictly enforced. All after school activity arrangements should be made prior to arrival at school.

## **EMERGENCY SCHOOL CLOSINGS**

The decision to close school because of snow, extreme cold, or another emergency will be made as close to 6 a.m. as possible. You will receive an automated phone call from the Superintendent or designee announcing the closing. Every effort will be made to send the announcement the evening before the closing, but weather conditions may require a later decision and the call may reach your home around 6 a.m.

Families may also access the District website, [www.cusd200.org](http://www.cusd200.org) and social media channels Facebook ([www.facebook.com/district200](http://www.facebook.com/district200)) and Twitter (@cusd200) for closing information. Local radio and TV stations will also be informed and announcements can be found there. Closing information is also available by phone at 847-238-1234 or online at [www.EmergencyClosings.com](http://www.EmergencyClosings.com). Families can also sign up for personalized email notification at [www.EmergencyClosings.com](http://www.EmergencyClosings.com). Please listen to these announcements carefully as there are several District 200 school systems in the metropolitan area.

If it is necessary to close school once classes begin, students will be dismissed based on information in ParentVue. While the school will make every attempt to reach parents, it is not always possible. In those cases, the emergency contact information in ParentVue will be used. Please be certain that ParentVUE has current names and phone numbers of your family's emergency contacts. It is suggested that you discuss these emergency arrangements with your child.

## **E-LEARNING**

Public Act 101-0012 also allows school districts statewide to utilize e-learning days in lieu of emergency days.

The State Superintendent has determined that days of instruction during a public health emergency must include at least 5 clock hours.

Asynchronous learning is an approach where teachers and students are not online at the same time. The teacher provides learning resources and tasks so students can access the conversation and content anytime.

Synchronous learning is an approach where teachers and students are online at the same time with a set schedule. The teacher provides learning and resources during set class time.

Each EC-5 classroom teacher will create an E-Learning schedule based on the District 200 instructional frameworks below.

Please click on this link for a detailed schedule and times for the CUSD 200 E-Learning Days.

## **ERIN'S LAW**

All students in grades pre-K through 12 are offered an age-appropriate curriculum addressing both sexual harassment and sexual abuse.

## **FIELD TRIPS**

Teachers may schedule a field trip during the year. Some field trips are a part of the curriculum and others supplement class activities. District 200 pays for those that are part of the curriculum. Others may be financed by the PTA or families may be asked to share the cost. Parents may also be called upon to help support field trips. A signed permission slip is required for participation in all field trips.

## **FOODS IN SCHOOL**

Foods brought into school during school hours shall comply with allergy policy 7.285. Only non-edible items will be used for rewards and incentives in the classroom unless previously approved by the building administration.

## **FREE AND REDUCED LUNCH PROGRAM**

Free and reduced price lunches are available to students whose family size and income meet State guidelines. Application forms are available in the school office and online at the district webpage.

## **HOLIDAY CELEBRATIONS**

Holiday celebrations are held in each grade under the direction of parents and teachers. Parents may be asked from time to time to contribute time, food or money to support these parties. Options beyond food items are encouraged for holiday celebrations.

## **INSTRUMENTAL MUSIC INSTRUCTION**

Starting in fifth grade, District 200 offers beginning musical instrument instruction in band and orchestra. Students may take lessons on only one instrument during the school day. Current students must pay the \$80 annual music fee on or before September 1 in order to enter the program. Students new to District 200 must pay the fee by September 15.

## **INVITATIONS TO OUT-OF-SCHOOL PARTIES**

Invitations for birthday and other parties may not be distributed at school. Please mail or deliver them directly to each guest's home. This prevents hurting the feelings of the children who are not invited.

## **LEAVING BUILDING/SCHOOL GROUNDS**

Students may not leave the school without permission from the office. Parents must come to the office to sign the student out. Students should sign back in if they are returning the same day.

## **LOST AND FOUND**

Those items of clothing marked with a child's name are easily returned to their owner. Other items can be reclaimed at the Lost and Found. Eyeglasses, keys, jewelry, money, or other valuables are kept in the office and can be reclaimed there following appropriate identification. For health, safety, and storage reasons, unclaimed items from the Lost and Found are periodically donated to charity. Therefore, please check with your child frequently about any lost or misplaced items.

## **SAFETY DRILLS**

Each school has developed an emergency plan to help ensure the safety of children in the event of a fire or other disasters, such as a tornado or a building intruder. This plan is rehearsed by the staff and children at various times during the year and may include a law enforcement drill and building evacuations. Each school has designated an emergency evacuation site where students will be moved until the school can be safely occupied. Students will not be released from school at the normal dismissal time if a tornado warning (not a watch) is in effect. Students will remain at the school under this condition until such time they may safely be dismissed.

## **PARENT INVOLVEMENT**

All parents are encouraged to become involved in their child's schooling. While each school will offer specific suggestions and opportunities for parents to do that, the following are some general guidelines parents can follow to support their child's learning:

- Ensure regular school attendance
- Monitor homework
- Volunteer in classrooms
- Attend parent-teacher conferences and school functions
- Keep informed through school and teacher newsletters and websites
- Serve on committees and attend meetings designed to review and improve school programs

## **RADIOS, TOYS, GAMES AND SPORTS EQUIPMENT**

No radios, toys, electronic games, or sports equipment may be brought to school without clearly stated permission from the principal or the child's teacher, usually for purposes of classroom sharing. The school bears no responsibility if any of these items are lost or stolen on school property. At no time is it appropriate to bring to school a toy with a violent theme, including paint guns. Any such toy found in the possession of a student on school property will be confiscated. Where appropriate, students will be disciplined accordingly. (Policy 7.190)

## **REQUESTS FOR CLASS PLACEMENT**

Many professional hours of planning and preparation are spent in the spring to ensure the most appropriate class placement for each child. To change even one student can upset the balance that was very carefully created by teachers and principals. Therefore, requests for a child's placement with a specific teacher are not invited. Principals, however, are available to discuss a student's individual learning styles and needs.

## **SKATES AND SCOOTERS**

No roller skates, rollerblades, skateboards, scooters, or Heelys roller shoes should be brought to school or used on the school grounds. If found in a student's possession, the items will be kept in the school office until a parent picks it up.

## **SMOKE-FREE ENVIRONMENT**

School buildings and grounds are entirely smoke and vape free. No smoking is allowed at any time.

## **STUDENT WORK AND PHOTO RELEASE**

Student work (i.e. creative writing, visual arts) and pictures of students may occasionally appear in school or district publications, social media or websites. If you do not want District 200 to share your child's work or photo without your written consent, you must login to ParentVUE and edit student permission settings.

If parents grant permission to share student work and photos, no consent or notice is needed before the school uses such material if the student is not identified. Parental permission is required if a student or his / her work is identified by name in a publication or website. While the school limits access to buildings by outside photographers, it has no control over news media or other entities that may publish a picture of a named or unnamed student.

## **TEXTBOOK PROGRAM**

Textbooks by the District or through State funds will be collected at the end of a course for re-assignment to other students. As is the case with all textbooks used by District 200 students, if these books are lost or damaged, it is the responsibility of the student to pay for replacement or repair.

## **TITLE I PARENTS' RIGHT-TO-KNOW**

In accordance with ESEA Section 111(h)(6), District 200 is notifying every parent of a student in a Title I school that you have the right and may request information regarding the professional qualifications of your child's classroom teacher. This information regarding the professional qualification of your child's classroom teachers including, at a minimum, the following:

- Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether the teacher is teaching under emergency or another provisional status through the State qualification or licensing criteria have been waived.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If at any time your child has been taught for 4 or more consecutive weeks by a teacher not highly qualified, the school will notify you. If you have questions, please feel free to contact your principal.

## **VISITORS**

Parents are welcome and encouraged to visit the school. To make these visits most meaningful, you are asked to plan your visit at a time that is mutually convenient to you and the teacher. When you arrive at school, please go directly to the school office to sign-in, show your ID and receive a visitor's badge. Children who are not regularly enrolled in school are not permitted to visit or join classes during school hours except by the principal's special permission.

To minimize interruptions in the instructional day, it is requested that a prior contact be made with the classroom teacher when visitation is desired. This is a courtesy to the class and will help the visitor better fulfill the purpose of their visit. Visitations are discouraged during the first and last three weeks of school and during testing sessions.

It is suggested that classroom visits be limited to 35-40 minutes and that pre-school siblings do not accompany visitors. Visitation does not infer a conference. Should a conference be desired, an appointment should be made for a different time. While a visitor is in a classroom, the teacher's first priority is the children in that class.

## **WALKING PETS TO SCHOOL**

Due to the health and safety risks of having dogs on the school grounds, please do not bring your pet(s) along when you walk your child to school. Many children are frightened by dogs, even when they are leashed.

## Attendance

---

Regular school attendance is essential if students are to benefit from the educational opportunities the school offers. Regular attendance helps develop dependability and responsibility and contributes to academic achievement. Parents, guardians and those with legal custody or control of a student are responsible for that child's regular attendance at school.

Students are considered a chronic truant if they are absent without valid cause 5 percent or more of the previous 180 regular attendance days. Valid causes for absence include illness, observance of a religious holiday, death in the immediate family, family emergency, and situations beyond the student's control.

Students may be absent from school only for valid cause as defined by state law and the Board of Education. Valid causes include illness, observance of religious holiday, death in the immediate family, family emergency, situations that create a reasonable concern to parents for the safety and health of the student and mandatory absences due to communicable diseases according to Centers for Disease Control and Illinois Department of Public Health guidance.

Parents whose students are excessively absent from school, whether excused or unexcused, may be required to present a statement from a physician verifying reasons for the extended or multiple absences. Failure to provide such verification will result in the absences being designated as unexcused and subject possible truancy referral. If the number of absences is excessive, a referral will be made to the DuPage County Truancy Office (Project VISA). (Policy 7.70)

Vacations and business trips during the school year are discouraged. Even the most conscientious efforts of students and teachers are no substitute for daily attendance. If, however, the family believes that taking their student out of school is necessary, the principal must be notified in writing five days prior to the absence. Procedures for completing missed work will be established at that time. A student who is absent from school may not participate in after-school or evening events, activities, or programs.

### REPORTING ABSENCES

You must notify your student's school if your child is home sick and report any diagnosed communicable diseases. When reporting an absence please indicate the reason for the absence and if it is due to illness, please report symptoms including if your child has a fever (100.4 F or greater), new onset to moderate or severe headache, shortness of breath, new cough, sore throat, vomiting, diarrhea, new loss of sense of taste or smell, fatigue from unknown cause, muscle or body aches from unknown cause (or current IDPH guidance). If you are not sure whether to send your child to school, you may call the school nurse for consultation. If you're still in doubt, call or visit your physician.

Please call the school attendance line before school on each day that your child is absent. If the school has not heard from you and your child is absent, you will receive a call to verify the absence. The Illinois School Code requires attendance to be reported as follows:

- All day, half-day kindergarten and preschool students who are absent from class more than 30 minutes are reported absent for the entire day.
- First grade students who are absent for 76 to 195 minutes will be considered absent for ½ day. If they are absent more than 195 minutes, they will be counted absent for the entire day.
- Second through fifth grade students who are absent for 16 to 165 minutes will be considered absent for ½ day. If they are absent more than 165 minutes, they will be counted absent for the entire day.
- Reason for absence, please indicate the reason for the absence and if it is due to illness, please report symptoms including if your child has a fever (**100.4 F or greater**), **new onset to moderate or severe headache, shortness of breath, new cough, sore throat, vomiting, diarrhea, new loss of sense of taste or smell, fatigue from unknown cause, muscle or body aches from unknown cause (or current IDPH guidance)**. If you are not sure whether to send your child to school, you may call the school nurse for consultation. If you're still in doubt, call or visit your physician.

## **TARDINESS**

Students are expected to be in their classroom and ready to begin instruction when the second bell rings. Punctuality is an important part of a child's development. Parents will be notified if their student has excessive tardies. If you know your child will be late to school, please call the absence line or send a note with your child on the day preceding late arrival.

## **STUDENT CHECK-IN / SIGN-OUT**

A student who arrives at school late must obtain a pass from the school office before going to the classroom. If it is necessary to take your child out of school early for any reason, a parent or designee needs to inform the school and come to the office to sign the child out. This is crucial to insure the safety and security of your child.

# Dress Code

---

In accordance with Board of Education policy, students are expected to dress in an appropriate manner that must not disrupt the educational process, interfere with the maintenance of a positive teaching/learning climate, or compromise reasonable standards of health, safety, and decency. The judgment of disruption is at the discretion of the school administration and gross abuse of the dress code will result in the confiscation of such prohibited items. Specific guidelines and prohibitions are listed as follows:

- Hats, hoods, head coverings, gloves, and sunglasses may not be worn in the building. Hats must be stored in the student's locker and not carried throughout the school day.
- Apparel that promotes or advertises drugs, alcohol, tobacco products, or other inappropriate or illegal activities is not permitted.
- All clothing must cover from shoulders to mid-thigh.
- Transparent items, camisoles, off the shoulder tops, strapless tops, and nightwear are prohibited.
- Items determined to be symbolic of gang membership, including jewelry items and bandanas, are not allowed.
- Tattoos will require clothing or other coverage if determined to be inappropriate to the school program.
- Shoes must be worn at all times.
- Students may not wear coats during the school day unless they are given permission by their classroom teacher for special circumstances, including heating and ventilation problems.
- No accessories such as chains, armbands with spikes or other items deemed as a safety hazard may be worn, including such items attached to backpacks.

## **COLD WEATHER APPAREL**

Even during cold weather, every effort is made to have students spend some recess time outside. It is important that your child is properly dressed in a warm coat, hat, gloves or mittens, and outdoor shoes or boots. Snow pants and boots are necessary for children who want to play in the snow. Please clearly label each of your child's belongings with his or her name. As a general rule, children will not be outdoors when the wind chill factor is zero degrees or below.

## **COSTUMES**

Students may not wear masks or headgear which prevent the clear identity of the student or create a safety concern. Costume paraphernalia, such as theatrical props and imitation weapons, are not allowed. Costumes and/or make-up, which are considered threatening or otherwise inappropriate, are forbidden.

## Communications With Families

---

Automated voice messaging from Blackboard allows the District to communicate with all parents quickly and effectively. You can expect to receive information regarding school closings, changes in scheduled activities, emergency situations, and more. These messages may also be sent by email/text if parents provide their email address and a cell number in the cell field during the registration process and in ParentVue.

Email provides interested parents with easy access to District and school newsletters and other information. Please remember to include your correct email address in ParentVUE so that you can receive timely District communications. Families with recorded email addresses will receive the District-wide Focus on Learning and Board of Education Highlights e-newsletters on a regular basis.

The District website ([www.cusd200.org](http://www.cusd200.org)) provides general and current information about the District. You can access individual school websites from the main District page.

ParentVUE is a communication tool used to monitor your child's education. You are able to view the latest information about your child's student information file, emergency contacts, student permissions, attendance, and more. Parents are able to view each one of their student's information from one central portal. Your school will provide your ParentVue sign-in credentials.

Social Media is another great way to stay connected with us. Find us on Facebook at Community Unit School District 200 or follow us on Twitter @CUSD200.

### SCHOOL COMMUNICATIONS

Newsletters from the principal, teachers, and PTA are published on a regular basis to provide timely information about the school program and classroom activities.

Parent/Teacher Conferences are held prior to the end of the first trimester for teachers to share information with parents about their child's progress in school. The conference is the single most important means of reporting to parents and guardians. Additional conferences may be held at the request of the parent or teacher anytime during the year.

PTA Groups are established in each school to provide valuable support and service to students, parents, and staff. Each PTA sets up fund-raising events to support school programs. Parents are encouraged to become active PTA members. Information on how to join the PTA can be found on your school's website.

Curriculum Nights are scheduled each fall for parents to visit their child's school and meet with teachers. Curriculum, grading practices, homework policies, and general expectations are explained by each teacher. This is not a time for individual parent/teacher conferences.

Report Cards are issued three times a year after each trimester.

School Improvement Plans (SIP) are developed in each school every year. Each plan outlines goals and methods for improving student achievement. SIP's are available for review in each school's office.

School websites ([www.cusd200.org/school](http://www.cusd200.org/school)) provide current information about your school. Each teacher in the District has the ability to create a teacher webpage that is housed on their school's website.

## **Bus Service & Behavior Expectations**

---

Free bus service is provided to all students who live 1.5 miles or more from the school they are assigned to attend. If the walking route of a student who lives less than 1.5 miles from school is considered hazardous, free busing may also be offered. Busing may also be an option for some students on a space available basis. A fee is charged for students who take advantage of this option. District 200 contracts for bus service with Illinois Central.

All questions related to bus service should, however, be directed to the school principal or to the District 200 Business Office at 630-682-2005. Only students eligible for bus service may ride the bus. Students who are assigned to ride the bus must do so unless written parent permission is given to the principal or teacher. Students are not allowed to ride a bus for social reasons.

### **BEHAVIOR AT BUS STOPS**

District 200 expects that students will conduct themselves appropriately while at the bus stop. The school seeks parent support in implementing the following rules to help ensure the safety of all students at the bus stop.

- Students should arrive at the bus stop no more than five minutes before the bus is scheduled to depart. A ten-minute lead time may be needed during the first two weeks.
- Students should respect their neighbors' property. This is done by waiting on the sidewalk or parkway. Climbing on trees or running through bushes is not permitted.
- Students should be instructed not to play catch or throw snowballs or other objects while waiting for the bus.
- Books or bags don't hold places. Students should stand in line patiently and board without pushing or shoving.
- Children should never step into the street or attempt to retrieve an object that falls under a bus. Alerting the bus driver to what is missing and where it fell is the appropriate course of action.
- Students should respect each other. The bus stop is not a place for rough play, bad language, or name calling.

### **STUDENT CONDUCT ON THE BUS**

The District and the bus company work cooperatively to help ensure that students are safe when riding the bus. The same general rules of conduct enforced at school are also in effect while students are on the bus. Students and parents should be familiar with the following rules:

- The bus driver is in charge and has the same authority as the teacher while children are on the bus.
- Students must remain seated while on the bus.
- Normal conversation is permitted, but students must refrain from loud talking or yelling and profanity are not allowed.
- Students must keep their hands and personal items inside the bus. Windows must be no lower than the line marking their opening.
- No items may be thrown out the window, nor should any student yell out the window.
- Food and beverages are not allowed to be consumed while on the bus.
- Students may not threaten or inflict injury on the bus driver or other students.
- Students may not inflict damage to any part of the bus.

### **CONSEQUENCES OF MISCONDUCT ON THE BUS OR AT THE BUS STOP**

Students who disobey the rules of conduct for behavior at the bus stop or bus ridership are subject to disciplinary action, which may include suspension from the bus or from school (Policies 6.300 and 7.190). Other consequences of misbehavior may include a conference between the student and his/her principal or teacher; a conference between the principal, student, and parent; payment for damages intentionally caused; and any other disciplinary action that the principal deems appropriate and in conformance with District policy.

# School Safety

---

## **EMERGENCY CONTACT INFORMATION**

It is important that three (3) emergency contacts are provided to the school in case the parent cannot be reached if the student becomes ill or there is a school emergency. Names and phone numbers of these three contacts should be identified in the order they are to be called and confirmed on the Student Verification Form included with registration materials. It is the parent's responsibility to be certain the school has current information on the emergency contacts.

## **SCHOOL SECURITY**

The safety and security of children is a primary concern of the District 200 staff. To make the schools as safe and secure as they can be, each school designs certain measures to provide for building security. All schools, however, will keep all exterior doors locked during regular school hours. Visitors to the school should enter the school through the main door and go directly to the school office where they may sign-in and receive a visitor's badge, that should be returned to the school office at the end of the visit. While in school, please do not feel offended if a staff member asks who you are or why you are in school. They are looking out for the safety of all students.

## **SAFETY INSPECTIONS**

Each District 200 school is inspected every year by the Regional Office of Education to ensure that the building meets State requirements and is safe for student occupancy. This annual inspection is required by the Illinois School Code. The inspection results in certification that the school is operating efficiently and that progress is being made to correct any previously recommended corrections.

## **SAFE WALKING ROUTE**

Each school has developed a walking plan for students, which illustrates routes children may take when walking to school. The final responsibility for selecting the specific route a child takes resides with the parent because they know about the changing features of the neighborhood that may affect their child's safety.

## Health Services

---

It is the philosophy of District 200 to work cooperatively with parents and staff to provide a healthy and safe environment for learning.

Please contact the school nurse about any health concern you believe may affect your child at school. This information will be confidentially shared with the appropriate classroom teachers as necessary throughout the school year. This may include asthma, food allergies, bee sting allergies, anxiety, etc. Should students be taking daily medication at home, please notify the health office so any side effects that occur will be recognized more easily and proper steps taken towards treatment.

All required health forms are available at the school office or [www.cusd200.org](http://www.cusd200.org). The school nurse may be able to provide resources for obtaining health requirements.

### PHYSICAL EXAMINATION REQUIREMENTS

The Illinois School Code requires that students entering school for the first time (early childhood, kindergarten, or first grades), sixth and ninth grades and transfer students must submit evidence of a physical examination and a complete record of immunizations.

- The completed physical examination and record of immunization form is expected at the school health office upon enrollment/registration and required by the first day of student attendance.
- Appointment dates for obtaining a physical exam do not meet the school requirement.
- Physical examinations must be done by a licensed physician, advanced practice nurse or examining physician assistant.
- Physical examinations must be dated within twelve months prior to the first day of school.
- Only the State of Illinois Department of Human Services Certificate of Child Health Examination form will be accepted.
- For safety considerations, students may not be allowed to participate in physical education classes until the required physical form is on file in the school office.
- Medical objections to any physical examination or immunization must be submitted in writing by a physician and must contain the required information.
- Religious objections to any physical examination or immunization must be submitted on the Illinois Certificate of Religious Exemption Form and must contain the required information and be signed by a parent/guardian, physician. The form can be found at <http://bit.ly/2GEv84S>.

**STUDENTS WHO DO NOT MEET THESE REQUIREMENTS WILL BE EXCLUDED AND WILL NOT BE PERMITTED TO ATTEND SCHOOL PER DISTRICT POLICY.**

### IMMUNIZATION REQUIREMENTS

Immunization records must show proof of immunization against diphtheria, tetanus, whooping cough, measles, mumps, rubella, polio and chicken pox.

- Early childhood students are also required to have Haemophilus influenza (HIB) and pneumococcal vaccine.
- Early childhood and sixth grade through twelfth students are also required to have the hepatitis B vaccine.
- Sixth grade thru twelfth grade students are required to have the Tdap vaccine.
- Sixth grade and twelfth grade students are required to have the meningococcal vaccine.

## **DENTAL EXAMINATION REQUIREMENTS**

Students in kindergarten, second, sixth and ninth grades must submit evidence of a dental examination by May 15th of that school year. Dental exams must be completed within 18 months prior to May 15th. If a child in the second, sixth or ninth grade fails to present proof by May 15th, the school may hold the child's report card until one of the following occurs: (i) the child presents proof of a completed dental examination or (ii) the child presents proof that a dental examination will take place within 60 days after May 15th. The Department of Public Health shall establish, by rule, a waiver for children who show an undue burden or a lack of access to a dentist. Each public, private, and parochial school must give notice of this dental examination requirement to the parents and guardians of students at least 60 days before May 15th of each school year.

## **VISION EXAMINATION REQUIREMENTS**

Students entering Illinois schools for the 1st time (kindergarten or transfer) must submit evidence of a vision exam.

## **MEDICATION AT SCHOOL**

Parents/guardians are responsible for administering medication to their children. Administering medication during school hours or during school-related activities is discouraged unless it is necessary for the educational benefit and/or critical health and wellbeing of the student. Acknowledging that occasionally a necessary medication must be administered during the school day, the District shall administer the medication. If a nurse is unavailable to administer the medication, a building administrator or a designee who volunteers to administer the medication will either supervise the self-administration of the medication or administer the medication to the student.

Parents/guardians are encouraged to be present and to administer required medications (e.g., insulin, inhalers, epinephrine, etc.) to their child during school-sponsored field trips and extracurricular activities (e.g., athletic events, musical concerts, performances, etc.) when their child has not yet been approved to independently self-administer their medication. In the event that a parent/guardian will not be present to administer their child's required medication during a school-sponsored field trip or extracurricular activity, the parent/guardian must notify the school prior to the scheduled event so that District 200 may appoint another party to serve the child in this capacity.

Students in possession of prescription or nonprescription medications in violation of these procedures may be subject to disciplinary action.

## **KEEP YOUR CHILD HOME IF...**

- A skin rash from an unidentified cause that has not been evaluated by a physician. Please note that open sores should be covered until healed or evaluated by a physician.
- The oral temperature is **100.4° F** or greater. A student with such a fever should remain home for 24 to 72 hours after the temperature returns to normal without the aid of fever-reducing medication (according to CDC Guidelines).
- If experiencing nausea, diarrhea and/or vomiting. Students should remain home until symptom-free for 24 hours without the use of medication.
- If the student complains of severe, persistent pain.
- If the student is showing signs of an upper respiratory infection including a fever (**100.4° F** or greater), **new onset to moderate or severe headache, shortness of breath, new cough, sore throat, vomiting, diarrhea, new loss of sense of taste or smell, fatigue from unknown cause, muscle or body aches from unknown cause (or current IDPH guidance).**

You must notify your student's school if your child is home sick and report any diagnosed communicable diseases. When reporting an absence please indicate the reason for the absence and if it is due to illness, please report symptoms including if your child has a fever (**100.4 F or greater**), **new onset to moderate or severe headache, shortness of breath, new cough, sore throat, vomiting, diarrhea, new loss of sense of taste or smell, fatigue from unknown cause, muscle or body aches from unknown cause (or current IDPH guidance)**. If you are not sure whether to send your child to school, you may call the school nurse for consultation. If you're still in doubt, call or visit your physician.

## **RE-ADMISSION AFTER CONTAGIOUS ILLNESS**

Re-admission following an illness from contagious diseases may require a back-to-school note signed by a physician. Please have medical documentation of any school accommodations that are requested. Guidelines established by the Centers of Disease Control and the Illinois Department of Public Health are used to manage communicable diseases and pandemic illnesses (COVID-19) in school.

## **HEAD LICE**

Parents are encouraged to check their child regularly for head lice. If a case is discovered, it should be reported to the school nurse, who will advise parents of the most appropriate treatments. Arrangements will be made to check siblings and close contacts for lice infestation.

## **STUDENT ACCIDENTS AND ILLNESS**

In case of an accident or illness of a student at school this procedure will be followed:

- First aid is administered
- If serious, parents are contacted. Please note generally, a school nurse is present to make assessments. Occasionally, the school office staff may need to exercise their best judgment in determining when to contact parents.
- If the parents cannot be reached, the emergency contact provided by the parents will be called. Please be certain that at least two emergency numbers are listed to call in case a parent or guardian cannot be reached. Please keep these numbers up to date. Persons listed on the emergency list will be considered to have your approval for temporary care. Students leaving school during the day for health reasons or other reasons must have a parent or guardian sign them out through the school health office.
- If the parents or emergency contacts cannot be reached, the nearest hospital, paramedics, or local health care provider may be contacted.
- Please help control the spread of illness by reminding students to cover their cough/sneezes, use tissues as needed and to wash their hands frequently.
- Please call the school nurse if your child has or is being treated for childhood or a communicable disease such as strep throat; chicken pox; impetigo; rotavirus; MRSA; hand, foot and mouth disease; fifth's disease; mononucleosis, shingles; influenza or COVID-19.

## **EXCUSE FROM PHYSICAL EDUCATION**

A student may be excused from Physical Education for up to three (3) days if the request is made in writing by a parent. If the student must be excused for more than three (3) days, a note must come from the doctor stating the diagnosis, duration, and extent of the physical limitation. The excuse should be directed to the school nurse who will distribute it to appropriate teachers. Students missing Physical Education due to illness/injury may be withheld from extra-curricular activities to maintain safety. Students exempt from Physical Education for medical reasons may be provided a non-physical learning activity during the scheduled P.E. time.

## **ACCELERATED PLACEMENT PROGRAM**

The District provides for an Accelerated Placement Program (APP) for qualified students. It provides students with an educational setting with curriculum options that are usually reserved for students who are older or in higher grades than the student. Accelerated placement includes but may not be limited to: early entrance to kindergarten or first grade, accelerating a student in a single subject and grade acceleration. Participation is open to all students who demonstrate high ability and who may benefit from accelerated placement. It is not limited to students who have been identified as gifted or talented. Please contact the building principal for additional information.

The Superintendent or designee shall annually notify the community, parent(s)/guardian(s), students, and school personnel about the APP, the process for referring a student for possible evaluation for accelerated placement, and the methods used to determine whether a student is eligible for accelerated placement.

**Notification may:** (a) include varied communication methods, such as student handbooks and District or school websites; (b) be provided in multiple languages, as appropriate.

## **ALL-DAY KINDERGARTEN PROGRAM**

District 200 offers a tuition based All-Day Kindergarten Program (ADK) along with the traditional Half-Day Kindergarten Program.

Students in both half-day and full-day programs will receive the District 200 Core Kindergarten Curriculum. However, students in the All-Day Kindergarten Program will have extended learning experiences that allow for more in-depth exploration of the core curriculum. The All-Day Kindergarten Program follows the District 200 attendance calendar and traditional elementary school hours.

Since space is limited, students are registered for the All-Day Kindergarten program on a first come, first served basis. Contact your child's elementary school for more information.

The tuition cost for the All-Day Kindergarten Program is \$3,600. All students are required to pay the full amount unless the applicant qualifies through the District Fee Waiver Process which could entitle the student to attend at a pro-rated fee. The District 200 Business Office will develop a fee payment plan for families who want to pay the tuition throughout the school year.

## **ART AND VOCAL MUSIC INSTRUCTION**

Certified art and music teachers deliver weekly instruction to all elementary students.

## **ASSISTIVE TECHNOLOGY**

Assistive Technology (AT) is used "to meet the needs of and address the barriers confronted by individuals with disabilities." (Rehab Act, Sec. 7(30)) In education, its purpose is to give students with disabilities access to learning experiences and the curriculum. The Individuals with Disabilities Education Improvement Act (IDEA 2004) requires Individual Education Plan (IEP) teams to consider whether a student with a disability needs assistive technology as part of the development, review and revision of an IEP.

## **BEHAVIORAL SUPPORT SERVICES**

Behavioral services work to establish the behavioral supports necessary for all students in a school to achieve social, emotional, and academic success. This work is accomplished through staff training and implementing effective interventions for those students with comprehensive behavioral and/or emotional needs.

## **ENGLISH LANGUAGE LEARNERS**

Services are available to assist Limited English Proficient (LEP) students acquiring English language skills and understanding the American school process.

## **GIFTED EDUCATION PROGRAM - PACE**

Gifted Math and Gifted Reading are offered in grades three, four, and five. The goals of the program are to meet the unique needs of intellectually gifted students.

The process used for identifying students eligible for the gifted math and gifted reading programs includes recommendations for testing by classroom teachers, EL Specialists, parents, or other school personnel. Forms for these recommendations and additional information about the Gifted Education Program are available online.

## **OCCUPATIONAL AND PHYSICAL THERAPISTS**

Physical and occupational therapy are two of the related services of Special Education mandated by the Individuals with Disabilities Act (IDEA). There are several ways a student can receive physical and occupational services in an educational setting. To receive services, students must have an IEP (Individualized Educational Plan). School-based therapy services strive to facilitate the students' potential for functional independence and participation in educational activities. This differs from medical model of therapy services, which focuses on medical needs.

## **PSYCHOLOGY AND SOCIAL WORK PROGRAMS**

The school psychologist and social worker provide consultation and support to children and to classroom teachers who have children experiencing social, developmental, and academic problems.

## **READING SUPPORT TEACHERS**

A certified reading teacher is assigned to each school to assist both students and teachers in diagnosing and treating student reading problems.

## **RESOURCE PROGRAM**

Children with less severe learning disabilities may see the resource teacher for part of the school day to learn strategies to be successful in the regular classroom setting.

## **SECTION 504 SERVICES**

Students with disabilities who do not qualify for an Individualized Education Program (IEP) may qualify for services under Section 504 of the Federal Rehabilitation Act of 1973, if the student: (1) has a physical or mental impairment that substantially limits one or more major life activities, (2) has a record of a physical or mental impairment, or (3) is regarded as having a physical or mental impairment.

If you believe your student meets one of the above categories and requires reasonable accommodations, you may contact the Executive Director of Special Education, Erica Ekstrom, [erica.ekstrom@cusd200.org](mailto:erica.ekstrom@cusd200.org) or 630-682-2007 for more information regarding the identification, assessment, and placement of your student.

# Discipline Policies & Procedures

---

District 200 schools employ a variety of disciplinary measures to maintain a safe educational atmosphere. Students who display undesirable behavior are disciplined to help correct such behavior. When a student is involved in disciplinary action, the student will be afforded individual attention in a constructive manner. Discipline procedures will follow due process of law, including providing for appeals to other school authorities. For additional support, parents are informed of disciplinary action to enable the home and the school to work together to correct such behavior. All students are expected to know school rules that relate to conduct and discipline because inappropriate behavior disrupts the opportunity to learn.

## DISCIPLINARY PRINCIPLES

Four principles govern all rules at all CUSD 200 Schools:

- Education is enhanced when student conduct is appropriate. Conduct that is disruptive to the educational process prohibits learning.
- Educational opportunity is a right enjoyed by all students. Conduct that infringes the rights of others is prohibited.
- School rules apply to all students while on school or District 200 property, and/or attendance/participation at any school-or District 200-sponsored activity.
- Students will be afforded individual attention in a positive manner, including the proper steps of due process of law, as well as the procedure for appealing such actions to other school or District officials.

## APPLICATION OF DISCIPLINARY CODE

Grounds for disciplinary action apply whenever the student's conduct is reasonably related to school or school activities, including but not limited to conduct occurring:

- On school grounds or commencing on school grounds but occurring off school grounds, before, during, or after school hours or at any other time the student is participating in or attending a school-related activity
- Off school grounds at a school-sponsored activity or event, or any activity or event which bears a reasonable relationship to school
- Traveling to or from school or a school activity, function or event in school provided and/or transportation
- Anywhere, if the conduct may reasonably be considered to be a threat or attempted intimidation of a staff member, hazing of a student, or interference with school purposes or an educational function.

The hearing officer has neither the power to expel a student or permit the student to remain in school. Under the Illinois School Code, only the Board of Education has that authority. The hearing officer shall serve only as a fact finder.
- Following the expulsion hearing, the hearing officer shall prepare a written report summarizing the evidence presented at the expulsion hearing. A copy of this report shall be delivered to the Superintendent, the Board of Education, and the student's parents/guardians.

## **SEARCH AND SEIZURE**

School searches are primarily for disciplinary purposes and are only conducted by school officials who, acting upon reasonable suspicion, have been entrusted to protect the safety and well-being of all students. If a school administrator has a reasonable suspicion that a student has violated or intends to violate a law or school rule, the administrator has the right to search the following without notice, consent, or warrant:

- student's bag or clothing
- student's desk or other assigned seating area
- student's person
- student's electronic devices and media (phones, etc...)

School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.

A school official may be required by Board policy or may deem it necessary to release information gained in the search of a student or his/her possessions to law enforcement authorities. In such cases, the school official shall make every attempt to notify parents/guardians in advance of police notification. A search of one's person is generally restricted to unrolling cuffs and sleeves, emptying pockets, purses, and backpacks, and removing coats or jackets, sweaters worn as outer garments, hats, shoes, and socks.

Parents/guardians shall be notified in advance if a more detailed search of a student is required. Random searches of campus and property on the campus may be conducted in conjunction with police officials. This includes the use of canine units to search lockers and vehicles on the premises.

## **PREVENTION OF AND RESPONSE TO BULLYING, INTIMIDATION, AND HARASSMENT**

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important district and school goals.

Bullying on the basis of actual or perceived race, color, national origin, immigration status, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in each of the following situations:

- During any school-sponsored education program or activity.
- While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
- Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
- Through the transmission of information from a computer that is accessed at a non-school-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the school district or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school.

Bullying includes cyber-bullying (bullying through the use of technology or any electronic communication) and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

- Placing the student or students in reasonable fear of harm to the student's or students' person or property;
- Causing a substantially detrimental effect on the student's or students' physical or mental health;
- Substantially interfering with the student's or students' academic performance; or
- Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Cyberbullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. Cyberbullying includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of bullying. Cyberbullying also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of bullying.

Examples of prohibited conduct include name-calling, using derogatory slurs, stalking, sexual violence, causing psychological harm, threatening or causing physical harm, threatened or actual destruction of property, or wearing or possessing items depicting or implying hatred or prejudice of one of the characteristics stated above.

Students are encouraged to immediately report bullying. A report may be made orally or in writing to the building principal, nondiscrimination coordinator, district complaint manager or any staff member with whom the student is comfortable speaking. All school staff members are available for help with a bully or to make a report about bullying. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the district complaint manager or any staff member. Anonymous reports are also accepted by phone call or in writing.

Parents may request a review of their child's expulsion from a transferring school only where the prior expulsion was issued by a private school and was for reasons other than the student's misconduct or disciplinary record. The request for such a review must be made to the Superintendent who may recommend to the Board of Education that the student be enrolled before the expiration of the expulsion.

## **ACCESS TO STUDENT RECORDS**

The parents/guardians of a student under the age of 18 or a designee of such parents/guardians shall be entitled to inspect and copy information in the student's school records in the presence of a staff member. When a student reaches age eighteen (18), graduates from secondary school, marries or enters military service, all rights and privileges accorded to parents/guardians regarding student records become exclusively the rights of the student. In cases of parental divorce or separation, both parents shall be permitted to inspect and copy the student's school records unless a court order indicates otherwise.

The District may charge the actual cost of providing a copy of school records. No parent/guardian or student shall be denied a requested copy of school records due to the inability to bear the cost of such copying.

In addition, the information in a student's record may be released without parent consent or notice as follows:

- To an employee or official of the school or State Board with a current demonstrable educational or administrative interest in the students, in furtherance of that interest;
- To any person for the purpose of research, statistical reporting or planning provided no student or parent can be identified from the information released and the person to whom the information is released signs an affidavit agreeing to comply with all applicable statutes and rules pertaining to school student records;
- To a governmental agent or social service agency contracted by a governmental agent in furtherance of an investigation of the student's attendance pursuant to the compulsory attendance laws of the state.

Information can be released without parent consent provided notice of the release is given to the parent as soon as possible under the following circumstances:

- In an emergency when information in the student records is necessary to protect the health or safety of the student or others
- Pursuant to a court order, provided that the parent is given prompt written notice upon receipt of such order of the terms of the order, the nature and substance of the information proposed to be released in compliance with such order and an opportunity to inspect and copy the school student records and to challenge their contents pursuant to the procedure set forth herein

Information can be released without parent consent provided prior written notice is given to the parent under the following circumstances:

- To the official records custodian of another school within Illinois or an official with similar responsibilities of a school outside of Illinois, in which the student has enrolled or intends to enroll, upon the request of such official or student
- To any person as specifically required by state or federal law
- To juvenile authorities as defined in the Illinois School Student Records Act when:
  - necessary for the discharge of their official duties
  - who request information prior to adjudication of the student
  - who certify in writing that the information will not be disclosed to any other party except as provided by law or court order.

## **CHALLENGES TO STUDENT RECORDS**

Parent(s)/guardian(s) may challenge the accuracy, relevancy or propriety of any entry within a student record. Academic grades and references to student expulsions or out-of-school suspension may not be challenged under these provisions except as to the accuracy of the recording. Parents/guardians may also insert into their child's student record a statement of reasonable length stating their position on any disputed information contained in the student record. The district will include a copy of the statement in any release of the information in dispute. Please contact the Superintendent's Office to obtain a copy of the procedures for initiating a challenge to a student's record.

## **RELEASE OF STUDENT RECORDS & STUDENT DIRECTORY INFORMATION**

Federal law requires that District 200, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, District 200 may disclose appropriately designated "directory information" without your consent, unless you advise the District to the contrary. The primary purpose of directory information is to allow District 200 to include this type of information from your child's education records in certain school publications. For example:

- A playbill showing your student's name in a drama or musical production
- Yearbook
- Class lists
- Honor roll or recognition lists
- Award programs
- Sports or co-curricular activity sheets such as wrestling, football, marching band or student council
- Directory information can also be disclosed to outside organizations without prior written consent, for example, school picture and yearbook companies.

Directory information is identifying information such as: name, address, gender, grade level, birth date and place, awards or honors, school activities, height & weight (members of athletic teams), field of study, period of school attendance, and photographs, degrees, and most recent educational agency attended.

If you do not want District 200 to disclose directory information from your student's educational records without your written consent, you must login to ParentVUE and edit student information settings.

## **TRANSCRIPTS**

Official transcripts are released only when the student or parent has filled out the transcript request form and paid school fees. While official transcripts are not released to a student or a student's parent, an unofficial copy of the transcript can be released directly to the student and/or parent. Official transcripts will only be mailed to the receiving agency.

Once a student has turned 18 years of age, that student is the only person who can sign for transcripts. Parents or siblings may not legally request the transcripts for a person who is 18 years of age or older.

# District Technology

---

Each student and his or her parent(s)/guardian(s) must acknowledge the Authorization For Using District Technology in StudentVue and ParentVue annually. Please read this section carefully before acknowledging.

All material published on the District website or within Google G Suite must have educational value and/or support the district's guidelines, goals, and policies. Material appropriate for web publishing included information about the district and its Board Members, agendas, policies, appropriate administrative procedures, department activities or services, schools, teachers or classes, student projects, and student extracurricular organizations. Personal information, not related to education, will not be allowed on the district website.

## STUDENT LEVEL

A student wanting to create a website shall only use Google Sites with their district-issued account. Proper etiquette and network usage rules mentioned in these guidelines apply to all student websites.

## RIGHTS AND RESPONSIBILITIES

All use of technology shall be consistent with the district's goal of promoting educational excellence by facilitating resource sharing, innovation, and communication. This Authorization does not attempt to state all required or proscribed behavior by users. However, some specific examples are provided. The failure of any user to follow the terms of the Authorization for Technology Access may result in the loss of privileges, disciplinary action, and/or appropriate legal action. The acknowledgment in StudentVue and ParentVue is legally binding and indicates you have read the terms and conditions carefully and understands their significance.

## USAGE GUIDELINES

**Acceptable Use** - Access to district technology must be for the purpose of education or research, and be consistent with the educational objectives of the district.

**Privileges** - The use of district technology is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The Executive Director of Technology and Superintendent or designee will make all decisions regarding whether or not a user has violated this authorization and may deny, revoke, or suspend access at any time.

**Copyright Web Publishing Rules** – Copyright law and district policy prohibit the republishing of text or graphics without explicit written permission or proper citation.

- For each re-publication on a website i.e., Google Sites, WeVideo, etc. of a graphic or a text file that was produced externally, there must be a notice at the bottom of the page crediting the original producer and noting how and when permission was granted. If possible, the notice should also include the web address of the original source.
- The absence of a copyright notice may not be interpreted as permission to copy the materials. Only the copyright owner may provide the permission. The manager of the website displaying the material may not be considered a source of permission.
- The "fair use" rules governing student reports in classrooms are less stringent and permit limited use of graphics and text.
- Identified student work may only be published if there is written permission from both the parent/guardian and student.

**Network Etiquette** - Students are expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to, the following:

- Be polite. Do not become abusive in your messages to others.
- Use appropriate language. Do not swear, or use vulgarities or any other inappropriate language.
- Do not reveal the personal information, including the addresses or telephone numbers of students or colleagues.
- Recognize that electronic mail (email) is not private. People who operate the system have access to all mail. Messages relating to or in support of illegal activities may be reported to the authorities.
- Do not use the network in any way that would disrupt its use by other users.

### **USE OF ELECTRONIC MAIL (EMAIL)**

- The District's electronic mail system, Gmail with G Suite, and its constituent software, hardware, and data files, are owned and controlled by the school district. The school district provides email to aid students and staff members in fulfilling their duties and responsibilities, and as an education tool.
- The District reserves the right to access and disclose the contents of any account on its system, without prior notice or permission from the account's user. Unauthorized access by any student or staff member to an electronic mail account is strictly prohibited.
- Each person should use the same degree of care in drafting an email message as would be put into a written memorandum or document. Nothing should be transmitted in an email that would be inappropriate in a letter or memorandum.
- Emails transmitted via the school district's network carry with them identification of the user's internet "domain." This domain name is a registered domain name and identifies the author as being with the school district. Great care should be taken in the composition of such messages and how such messages might reflect on the name and reputation of this school district. Users will be held personally responsible for the content of any and all emails transmitted to external recipients.
- Any message received from an unknown sender via the internet should either be immediately deleted or forwarded to the system administrator. Downloading any file attached to any digital message is prohibited unless the user is certain of that message's authenticity and the nature of the file so transmitted.
- Use of the school district's email system constitutes consent to these regulations.

### **INTERNET SAFETY**

Internet access is limited to only those "acceptable uses" as detailed in these procedures.

- Internet safety is most assured if users will not engage in "unacceptable uses" as detailed in these procedures and otherwise follow these procedures.
- Staff members shall supervise students while students are using district internet access to ensure that the students abide by the Terms and Conditions for internet access contained in these procedures.
- Each district computer with internet access has a filtering device that blocks entry to visual depictions that are (1) obscene, (2) pornographic, or (3) harmful or inappropriate for students, as defined by the Children's Internet Protection Act and as determined by the Superintendent or designee. The Superintendent or designee shall enforce the use of such filtering devices. An administrator, supervisor, or another authorized person may disable the filtering device for bona fide research or another lawful purpose provided the person receives prior permission from the Superintendent or system administrator. The Superintendent or designee shall include measures in this policy's implementation plan to address the following:
  - Limiting student access to inappropriate matter as well as restricting access to harmful materials
  - Student safety and security when using electronic communications
  - Limiting unauthorized access, including "hacking" and other unlawful activities
  - Limiting unauthorized disclosure, use, and dissemination of personal identification information.

**Social Network Access** - The district may not require a student to provide a password or other related account information in order to gain access to the student's account or profile on a social networking website if the district has reasonable cause to believe that the student's account on the social network website contains evidence that the student has violated a school disciplinary rule or policy.

**Vandalism** - Vandalism will result in cancellation of privileges, restitution, and other disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy technology or data of another user, the Internet, or any other network. ## LEGAL RESIDENCE

In order for students to legally attend any District 200 school on a tuition-free basis, he/she must be a legal resident of District 200. District 200 does not currently accept students on a tuition basis. If a question arises concerning a student's residence, school authorities may require proof of legal residence in District 200. Students who do not legally reside within the boundaries of District 200 and who attend any District 200 school under false pretenses will be liable for tuition payments accumulated during their attendance and will be required to transfer to their appropriate home school. Students who move out of District 200's attendance boundaries during the school year will be able to attend school for the remainder of the school year without payment of tuition. Transportation to and from school becomes the sole responsibility of the parent.

## TRANSFERRING OUT

Parent(s)/guardian(s) of a student transferring from the district should pay outstanding fees or fines, and return all school-owned property.

## HOMELESS STUDENTS

Students are considered homeless when they lack a fixed, regular and adequate nighttime place of abode or have a primary nighttime place of abode that is:

- a supervised publicly or privately operated shelter designated to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing);
- an institution that provides a temporary residence for individuals intended to be institutionalized; or
- a public or private place not designated for or ordinarily used as a regular sleeping accommodation for human beings.

A parent/guardian of a homeless student may enroll that student in either the "school of origin" or in the school for the attendance area in which the student temporarily resides. "School of origin" is the school that the student attended when permanently housed or the school in which the student was last enrolled. Homeless students shall be enrolled immediately, even if they are unable to provide records normally required for enrollment. Upon enrollment, homeless students shall be referred to an assigned counselor for additional information.

No student will be denied enrollment because of any failure to present his/her permanent or temporary record from a school previously attended.
